**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It's important to me to have affordable internet and phone access. I think this speaks for itself. My work and life rely on access to the internet to interact with clients and conduct my business. I am not in a high income bracket and need affordable access. I support broadband competition in order to keep prices affordable. Thank you.
