**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow competition in this broadband market. More choices allow for technology and customer service to grow. Consumers will be in a bad place if the cost of internet is not competitive. I was previously on DSL and for the same price, I am getting better and faster service. Big companies will have an unfair advantage and will not need to provide the level of service and product to keep us competitive.
