**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I get Internet service from a local broadband provider. Please do not to ANYTHING that will decrease competition between Internet providers. Internet already costs much more here in the rural areas of the U.S. than it does in Europe. Our options are extremely limited as it is. I don't want one or two companies to "own" the market.
