47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition amongst internet providers! Please allow access to infrastructure that helps small companies to expand.

I wish to support the small company (Sonic Internet) to hopefully get fiber connection to my area. This is a company that I trust and have high hopes of doing well and helping other customers like myself.
