**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow competition so that we will remain connected at affordable prices. Broadband is critical to our service in San Francisco and I don't want to go back to only having AT&T as my option for service. I understand that you might be bought by big companies like AT&T so that they have the monopoly on serving everyone but try not to be bought! Have some decency and think of other's needs rather than just making money.
