**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a small business owner that relies on low-cost broadband internet access. Please take steps to increase the number of broadband providers and increase competition, NOT DECREASE.

I'm a Licensed Acupuncturist who relies on the internet for marketing, scheduling, medical charting, accounting, and other functions provided by the internet to run my business, and I need to continue a relatively low-cost internet service.
