**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior citizen and can't afford the big companies, with the high prices. When I found a competitive provider I was thrilled, we need more competition, where we can have choices of fiber and home phone service as a package. Thank you for taking these things in consideration for us older folks, who are trying to keep up with technology as best we can, without all the price hikes we are subjected to.
