47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like you to say NO to price hikes that will increase the cost of internet and telephone services!

I work from home and broadband is critical to my business. I currently have DSL service and want/need to be connected with competitive fiber optic service ASAP.

Best regards,

Cadell Child
