**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This petition by ATT and friends needs to be declined. I have used a small provider, Sonic, for internet for about 9 years. They're unbundled and they're all I need. Where else am I going to get a single service with great customer care at an affordable price? Certainly not from ATT. Do not grant the petition or many customers will be forced to pay more for what they don't need
