**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition.

I say NO to price hikes that will increase the cost of internet and telephone services. Competition for unbundled phone services supports this end, as do local phone and broadband providers. My smaller provider has offered me the best telephone and broadband options for years, and I am not in support of the larger companies putting them out of business!

Sincerely,

Marie Surber
