**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My children are students and they need to connect to the internet. The high cost of internet service adds to our daily cost (right now, our internet costs are about the same as my son's lunch).

We use competitive DSL lines - by taking these away from us, we our kids will lose a cheap internet connection. We don't need super-speed internet; we want our kids to have enough connections to do their homework.

Thank you!
