**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner. We need competitor like sonic to provide better services and pricing for internet needs. Without competition companies like at&t & Comcast will hike prices so that why we need more internet provider for better competition.

Without competition not only price will go up but also speed will be slower.

Thanks
