**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition for broadband and telephone service. I used to have DSL for my broadband service but with competition, Sonic was able to build a fiber network and 3 years ago Sonic have been able to provide me with the best broadband and telephone service at a very affordable and reasonable cost.

Don't let this competitive broadband and telephone service be destroyed.
