47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to urge you to maintain competitive broadband.

Broadband is critical to my business and my home, as I do much shopping on the internet. I am already at a point where my budget is stretched beyond its ability, so a raising of prices would hurt me greatly.

I am a senior and I live in a very rural area where the only working service is our local Sonic.net, which I have been using for 30 years.

Thank you for doing the right thing!
