**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a HAPPY Sonic.Net subscriber. I ditched Comcast after paying for years for service levels I did not need, having been misled by fast talking sales reps who were out for themselves and not me. Now I have an honest company with reliable and good service at a fraction of what I was paying.

Reasonably priced Internet access is ESSENTIAL to everybody now--whether they are working or job hunting. To deprive people of the options that come from a competitive marketplace is to deprive them of opportunities.

AT&T and Comcast should not be enabled to put a strangle hold on the market and stifle competition.

Thank you for listening,

Elizabeth Brooking
