Re: MB Docket No. 17-197, Media Bureau Establishes Pleading Cycle for Applications to Transfer Control of Tribune Media Company to Sinclair Broadcasting Group, Inc. and Permit-But-Disclose Ex Parte Status for the Proceeding

Dear Ms. Dortch,

Enclosed please find the comments of an additional 10,000 Free Press members telling the Federal Communications Commission to reject the Sinclair-Tribune merger.

The petition reads:

To the Federal Communications Commission:

Sinclair Broadcast Group and Tribune should never be allowed to merge. If this deal goes through, a single company would own more than 200 local-TV stations reaching more than 70 percent of the country. That's far beyond the legal limits on media ownership and far too much power in the hands of a single company. Sinclair has evaded FCC rules, received FCC fines for airing propaganda, and drawn wide criticism for airing politically slanted content on its stations. The FCC should block this merger and restore policies that encourage a diversity of local media owners and a wide range of viewpoints.

Best,

Candace Clement
Campaign Director
Free Press

The continuing consolidation of media outlets in the US is a growing threat to the free press.

—Bryan McLane, Lafayette, CA

How can a sane country allow this psychopath to spew his brand of propaganda garbage to the American People.

—G Fisher, Pine Bush, NY

There should be no outlet this large!

—Karen Bowker, Flemington, NJ

No to right wing news propaganda!!!

—Laurie Laska, West Berlin, NJ

This should not be allowed

—Norreen thomas, Cleveland, OH

This is in violation of monopoly, I think. It just does not seem right that I point of view should be promoted that effects 70 percent of the market. And I understand they promote a right sided agenda. Verging on propaganda! Do not approve this merger

—Anne-Marie Burkhardt, Thorofare, NJ

No Sinclair Tribune merger!

—Patricia Abbott, West Palm Beach, FL

I oppose Sinclair expanding markets and territories. Monopolies threaten American prosperity

—William oliwa, Elizabeth, NJ

Isn't this more Trump profiting from his position--isn't this illegal?

—JGilroy, Los Angeles, CA

STOP THE MADNESS! tRUMP WILL NOT DELIVER NEWS. HE LIES 76% OF THE TIME.

—, Santa Ana, CA

This Is Not Right!!!

—Jean Rhodes, Palos Verdes Peninsula, CA

I do not agree with the Sinclair-Tribune Merger! This will inhibit freedom of the press and contribute to corporate takeover of independent media outlets

—Helen Darby, Silver Spring, MD

State run television is an offense against Democracy!

—David Pugh, Strasburg, VA

We do not need any more racist, isolationist, white supremacist propaganda in this country. What is already here has caused the fall of our democracy.

—Leslie Englehart, Dayton, MD

It's quite inappropriate for a sitting president to start up his own propaganda channel. Hell no!

—Jo Ann Bailey, Manchester, NY

Trump TV is nothing but state sanctioned propaganda. This cannot be allowed.

—Rita Fischer, Jackson, TN

The merger of Sinclair Broadcasting and Tribune must be blocked.

—Barbara J Kellogg, Mason City, IA

Do not promote Trump's lies.

—Shirley Sutter, Vernon Hills, IL

Sinclair Broadcasting Group normalizes white supremacy, fosters hate and spreads propaganda. Allowing them greater influence not only does a great disservice to truth, it does great damage to the fundamental principles of fairness we hold dear.

—Judy Wixted, Cordova, MD

This decision is a conflict of interest. It gives Donald Trump Trump TV. Against the emolument (sp) clause.

—Patricia A Lustig, Commerce Township, MI

Propaganda TV is a danger to a passive audience of easily influenced citizens including children and the mentally challenged.

—Dawn Balk, Saint Charles, MO

. . . Stop the insanity. . .

—, Novato, CA

No to Trumps undemocratic TV Station. No to government control of media.

—Jose Rivera, San Antonio, TX

No corporate takeover of our media. This is unacceptable and I strongly oppose this merger.

—John David Darby, Silver Spring, MD

I do not use internet services and rely on broadcast TV. I find that of the 4 English speaking networks in El Paso, 2 are owned by Sinclair. The problem with that is that their news, weather, and locally produced programs are exactly the same. You may not care, but I do. I do not support fox like news and it is coming to that with the Sinclair requirement that their station run conservative commentary. You may like that until the opposite is true. Stop this

—Jeanette Walker, El Paso, TX

No "state run" TV. Never!

—James Ferrando, Minneapolis, MN

Only dictators have their own TV shows. This is a propaganda "news" station. America is a democracy. Shut this down!

—Paula Sabo, Columbus, OH

Sinclair is PRO TRUMP. It is Extremely Unfair to let them have a Monopoly on so many stations. Whatever happened to FAIRNESS? In a Democracy this should not be Happening.

—Bonnie Brazil, Packwood, WA

Bring back Truth in Media ! Vote Democratic !

—Rod Timmons, Daytona Beach, FL

It is unacceptable that the FCC would allow programs claiming to be "news" to be anything other than actual fact unless stated as "opinion." Americans should be able to rely on news broadcasts from any station, and the FCC has a responsibility to condition a station's right to broadcast on the honesty and reliability of their news programming.

—Denise Bagley, Winter Haven, FL

Do not take away our freedom of speech and press from local levels or above that

—Priti G, Englishtown, NJ

Please don't

—Julie Barrett, Chico, CA

No trump tv

—April siegal, Fairhope, AL

Consolidation of media to this extent is undemocratic.

—Nancy Hawkins, Austin, TX

FCC Do your job and help protect America against this unthinkable level of media consolidation. This action is WRONG for our Democracy!

—Andy, Mound, MN

This is a critical issue that endangers our freedoms. We need to feel secure that we have access to all points of view, which is nearly impossible with a conglomerate in control. Too much information power in too few hands if approved.

—Barbara Gallagher, Springfield, PA

Stop the fascist propaganda machine.

—Marcelyn Bible, Glendale, CA

The news needs to be truthful, fair and nonpartisan, three things Sinclair Broadcasting isn't.

—Curtis Tilton, Toccoa, GA

I believe there are laws against this, is that not true?

—Pamela Malanowski, Erie, PA

I dont feel that Trump TV should be on facebook and forcing people to watch "fake news" I thought FB was going to monitor this more closely. I SAY NO...NOT ON MY FACEBOOK

—Susan Reed, Shippensburg, PA

Our democracy is in jeopardy, propaganda programming must not be supported.

—SARAH Leake, Sacramento, CA

Stop state run propaganda TV

—Rayne Lanzing, Bradenton, FL

Please do not approve of this state-run media. Consider the constitutionality of this.

—Jon Rochmis, San Francisco, CA

Consolidation of corporate power in this scale is and should continue to be prohibited. The bodies involved have already received multiple FCC fines. Please help block this merge.

—Sarah Bishop, Brooklyn, NY

This is nonsense!! This needs to stop and you need to say HELL NO to Trump TV!!!

—Celeste Johnson, Nashua, NH

—Pam Gouse, Hamilton, MT

stop propaganda tv and truly fake news by russian bots

—Debi Caniff, Orlando, FL

This merger would NOT make America great again!

—Christine Ingles, Northville, MI

NO!!!

—Deanna, Ogden, UT

Do not allow this gathering of power. Enough harm has already been done without more decisiveness happening.

—Johniene Doran, Nashville, TN

It would be a demonic media takeover.

—Loraine Schoenfield, Geneva, NY

Three of our local TV stations are owned by Sinclair and the quality of the news is deplorable. We have stopped watching these stations as a result. Please take a stand to break up monopolies and corporate take overs of our air waves. No to Sinclair and No to Trump TV!!

—Patricia Elkovitch, Skaneateles, NY

It is not in the interest of the country to consolidate media outlets. In fact, diverse opinion and local points of view have repeatedly been shown to contribute to economic and social well-being. Please reverse the trend of consolidation and prevent this ill-advised merger.

—Bruce Adelsohn, Jackson Heights, NY

Will actively boycott every advertiser of kcrg if merged. Hate trump news mandatory editorials.

There is no room for propaganda TV in the United States of America. It is the antithesis of what our country represents.

—Karen H. Constantine, Altamonte Springs, FL

Trump is a criminal posing as president. DO NOT give him and his fellow travellers their own network to further LIE to the American people.

—Fred Schonberg, Sarasota, FL

this merger will create a monopoly. this should not be approved.

—Terri Bell, Lutz, FL

This merger goes against anti-monopoly laws and the idea of a free press. One conglomerate shouldn't own that many channels! Please protect our media from being purchased this way.

—Heather, Santa Rosa, CA

Stop it

—Mark Kenney, Reading, PA

This is lunacy.

—Joanne Baker, Spring Grove, IL

We need an independent free press that presents all sides of an issue

—Gloria Falconi, Littleton, CO

We are not Russia

—Kathleen Cardona, Blackwood, NJ

Propaganda is already a huge problem. Please keep our news sources truthful. Say NO to Sinclair Broadcasting and Trump News.

—Deborah Mann, Amherst, MA

This is ludicrous, have we not learned any. One single company owning all our sources of news. Now are looking at a dictatorship, where we no longer have freedom of speak. This what makes America great, only simple minded people would think this is a good thing. I remember explaining to my mother once who is since passed away she would well be in her nineties now almost 100, she said but I read it in the newspaper, I heard it on the news, I told her mom you don't understand the newspapers of the news they are owned by people that believe either Democrat Republican independent they have their own views and this is what's being played out in the media. She grew up when the media did relate the truth to a big degree, but no longer those are gone. We MUST continue to freedom of speak. But now we as as an individual and nation must do our own homework. This means not taking things at face value, but look at it from all angles, see the truth see the distortion that it may hold learn what a lie looks like. We must take responsibility for what goes on in our nation. We must come together as one not separate. Some may think that having one news would be a good thing in that would make making people come together unfortunately that's not true we have not got past the greed of the past. So please do not vote this in for the welfare of the nation and their welfare all that live here.

—Janna Moore, Midlothian, VA

Follow the rules!

—Martha Brady, Port Murray, NJ

Monopolies are always BAD for democracy - if you even care about that.

To much trump talk now do not need any more.

—Katherine Eddis-LeMon, Philadelphia, PA

We all know this is nothing but propaganda, no truth, no facts. This must NOT be allowed!

—Deborah A Kist, Austin, TX

Controlling the press enables the White House to control the country's narrative. The reason we have a free press is to insure that all news is reported, not just news the government wants reported. Free press is as important as the other branches of government that kept the White House from overstepping its authority

—Joni jones, Kingwood, TX

This is an abomination, and against everything we stand for as independent thinkers.

—Michael Kronk, Union Bridge, MD

Save us from Trump propaganda

—Lou Luecke, Columbus, OH

—Betty Catlette, Montrose, MN

In flagrant violation of ANTI-TRUST. Paves the way for propaganda tv and threatens the free press. Large mergers are monopolies.

—Holly Reed Fey, Doylestown, PA

Faux news does more than it's share of tRUMP's fake propoganda. We don't want political propoganda shoved down our throats like countries run like dictatorships have to endure. As with the Repugnican way, change the rules to get your way, even if it's not for the good of the country

—Abena Williams, Atlanta, GA

Television, radio, newspapers, etc. are free to air/print their opinions, but should not be allowed to monopolize information provided to the public with biased information by acquiring too large a share of the market. Seems like we're headed to "state-run" media!

—Gwyneth Mason, Oklahoma City, OK

bring back the fairness doctrine...updated, of course...

—David Cottrell, Harrisonburg, VA

Are you kidding me?

—Deborah Parker, Caro, MI

Bad behavior by a corporation should not be rewarded with more trust. What the GOP needs to understand is that a corporation like Sinclair may be their friend today but their enemy tomorrow - when it will be too late to try to stop their influence on public opinion. I don't think the GOP wants any corporation to have more power over conservative messaging than the GOP has.

—Deborah Rozell, Panama City, FL

—Debbie Painter, Powell, TN

This is beyond unacceptable and if it happens, I plan to urge people to boycott these stations.

—Susan dailey, Pleasanton, CA

This is a conflict of interest and an attempt to dismantle and combat the free press of our democracy. Trump's would be propaganda ridden with no oversight regarding facts.

—Carolyn Kegler, Swedesboro, NJ

This company is a threat to competition and free expression. Whatever happened to the rules on monopolies? This company is a tool of the right wing, and there is enough of that already. You should not be promoting the seizure of the media by the trumperey conspiracy!

—Sandra Greer, Brooklyn, NY

Block

—Billie Preston, Littleton, CO

Protect our airwaves from the lying Russian puppet and his hateful attacks on the free press and Constitution. He has done enough damage without having a greater means to spew hate and violence. Too many alt right venues on radio and tv already. Stop Limbaugh, Jones and Fox News also!!

—Judith McElroy, Oak Forest, IL

How could you

—Thomas kattau, Patchogue, NY

I will sign this petition 100 times a day to stop this.

—Wanda Lyn Young, Norphlet, AR

We don't want to be force fed his lies and propaganda. When is FCC going to hold lying media outlets accountable and shut them down? I would be they are violating FCC guidelines on subliminal messaging also to keep dillusionsl followers. STOP TRUMP, STOP SINCLAIR. Doesn't them busing up all the networks violate antitrust?
—Debar Ledford, Edmonds, WA

It is sad that the public even has to comment on this request to have one singular media outlet become larger and have control of more than 50% of all national news via TV...but here we are, so concerned and afraid that the current FCC will give their stamp of approval and move the US farther away from democracy. I hope you prove us wrong.
—Audrey Fisher, san antonio, TX

Enough of this nonsense. NO, NOPE, HELL NO TO TRUMP TV OR TRUMP ANYTHING.
—Connie Underwood, Kennewick, WA

Reject before this propaganda becomes a norm.
—Amruta REswara, Newton Center, MA

Let's avoid too much concentration in media. The press (including electronic press) must stand as an independent, indispensable democratic institution. Do your part for democratic principles. Let's not go back to George III of England. The US fought that battle and won. Don't make it only a temporary victory.
—Mr. Marvin Westen, Waynesboro, VA

This is wrong in every way. Do not allow it!!!
—Ms. Carolyn Byers, Albuquerque, NM

Sinclair is nothing but a far right-wing propaganda machine. This merger must be blocked!
—Jackie Shipley, Commerce Township, MI

We are not Russia!! Don't let the Trump regime do this!

—Trisha Casciaro, Columbus, GA

Impeach the old man – I'm sick of hearing him lie day after day after day!

—Molly Donahue, Cedar Rapids, IA

I do not want this nonsense broadcast to my home. As an American, I believe that is my right.

—Lianne O'Brien, Melrose Park,, IL

I'm strongly oppose this merger for the above reasons. A healthy democracy needs diverse voices and ideas to be presented & discussed.

—A Gilmore, New Orleans, LA

First amendment very important to me and should be for all. No king or dictator in American!

—Carol Bean, Knoxville, TN

This merger is tainted with partisan politics. Sinclair Broadcast Group should not be allowed to own multiple stations in one market. The fact that the FCC chairman is changing the rules for Sinclair, and is someone who has also shown a partisan slant toward whatever Trump wants is deeply concerning. DO NOT LET THIS HAPPEN! Local news in smaller markets and towns should not be subject to politics when covering stories, local or national.

—Christie Smith, Waldorf, MD

I've already been subjected to irresponsible segments on my local news cast that amounted to rants (with plenty of lies!) on how great everything Trump is and how bad the rest of the country is. FCC - do your job! Let us avoid Venezuela's fate!

—Polly Falcon, Keokuk, IA

Do NOT allow Sinclair to run misleading Trump propaganda. This will lead to nothing but further distrust in the media and will be seriously detrimental to the American democracy.

—Jingjing Fan, Tucson, AZ

This is a very dangerous precedent!

—Deborah Rosenman, Bloomfield Hills, MI

There needs to be an independent media not representing corporate and political interests in this country.

—Margaret C. Kelly, Chicago, IL

This is insane. Stop the madness.

—Misty, Holiday, FL

We do not need a monopoly of one sided biased news.

—Linda Tierney, Tampa, FL

Enough of Trump, no more!

—Sandra McKelvey, Palm Springs, CA

We need better standards for outlets that want to be called 'news.' HIGH standards. Why should the public allow liars to spread propaganda that hurts Americans? Doesn't seem legit, does it.

—Tina M, Seattle, WA

This is a direct threat to our democracy. This is sheer propaganda.

—Judy Shepherd, Clayton, NC

not in my life-time do i want to hear donnitRUMP or look at that shithead

—Ronald Cabral, East Providence, RI

This is just so wrong on so many levels and in so many ways! THIS IS NOT WHAT I WANT FOR MY COUNTRY,,MY AMERICA!

—Peter W Storm, Fallentimber, PA

The last thing this country needs is for ONE group & owner to take over such a large percentage of the media. Independence & many voices have been what has kept this country great. No to Merging of Sinclair & Tribune.

I am very concerned about far right extremists taking over our media!

Not that dumpty cares but this is a direct conflict of interests..... It is both illegal but frightening on an untold level. It is straight up propaganda

—Diannae Schmidkunz, Cedar Crest, NM

NO WAY !!!!!

—Marlene Jacobsen, Yelm, WA

We must stop the slide into out-and-out propaganda, which is what 45 & Co. will increasingly be trying to peddle. We must save our own country from these fraudsters, and protect everyone from the ignorance of the followers of 45.

—Jean Gilbert, Chicago Park, CA

NO TRUMP TV !!!...no more fake news channels for this illegitimate president

—Susan Colison, Hayward, CA

I am against the Sinclair-Tribune merger. It should never happen.

—Debra A. Ballou, Dover, NH

We do not support FAKE news. Lies, conspiracy theories, exaggerations, boasting on air does not make it news worthy and has nothing to do with "journalism".

—Sharon Dimitrijevic, Woodruff, WI

We also need to stop Trump posting his own "news" via Facebook.

—Jane E Baker, Tallahassee, FL

Freedom of speech does NOT include Hitler-style propaganda.

—Christine Allen, Center, CO

Sinclair's "must-run" propoganda pieces alone should disallow this merger. Rewriting the rules to allow it to happen is reprehensible and will hopefully result in the FCC being sued. I would appeal to your ethics if I thought anyone appointed by Trump had any but I know better. What does it say about your views, your ideology, that the only way your side wins is by cheating?

—Bee Anderson, Nashville, TN

I oppose this merger!
—Sally Farneth, Morrisville, PA

Please, no more Trump!
—Helaine Berman, Prescott, AZ

Trump is a moron.
—Rodney W Wallen, Tulsa, OK

He is on his way to brain wash the weakest of minds DO NOT LET HIM BRING MORE DARKNESS AND HATE!!!!!!!!!!
—Cindy Bennett, Marshalltown, IA

This is unbelievably unethical.
—Nicole Solak, Wyandotte, MI

The U.S. already has a president attempting to be a "king/dictator", a t.v. station dedicated to right wing propaganda will only do more harm. Is the next step listing R.T. on U.S. t.v. listings? (read sarcasm in that statement.....well maybe not sarcasm).
—Barb Johnson, Arlington Heights, IL

He is a proven liar, as are the rest of his family and cronies.
—Janice Aiello, Portland, OR

Stop the Sinclair-Tribune Merger
—Colette Haas, Westlake Village, CA

I say NO to Sinclair Media taking control of local news segments. This is not ethical, it is not journalism, it is not democratic.
—Charles Youngd, Pittsburgh, PA

There is enough fake news causing misinformed decisions without creating a pure propaganda channel. Thus isn't Nazi Germany but starting to move in that direction. FCC please do the right thing for the country.
—Marie L Major, Manchester, CT

There must be some board or? that this need to be approved by. One person. Can't do this..js

It's state tv and propaganda

—Barb Banks, Strongsville, OH

I am opposed to everything 45 does.

—Elizabeth, Eliot, ME

We already have enough Fake News. We need unbiased reporting to support our democracy not just one viewpoint.

—Mary Benson, Fort Worth, TX

I strongly urge you to stand against this merger. Our constitutional rights are under serious threat.

—Denise Swafford, Dickinson, TX

We are not Russia, we are not China...diversity and freedom of the press is a hallmark of our country. Shame on you for even considering this.

—Sharron Gray, Hudgins, VA

Trump TV is deplorable...there is enough FAKE NEWS available to all who won't research, we don't need any more...We are not Russia and this is a democracy that gives its citizens freedom of speech and what they listen to and read...Trump definitely want's to take our freedoms away, don't let him add anything to his 'wants' by letting him have control of the TV stations.

—Paula Durbin, Galion, OH

Stop this propaganda !!

—Rosita Norenus, Sausalito, CA

Impartiality of the press is already damaged by the loss of the Fairness in Reporting Act and propaganda should not be allowed to replace real, fact-based, and balanced news reporting. This merger represents a threat to the integrity of our news media.

—Kelly Roubo, Standish, ME

You've got to be goddamn kidding me.

—Sue Baldock, Garden City, MI

We don't need more right-wing corporate propaganda. We need non-corporate really news in the public interest. Right now you have to turn on stations in other countries to get real news. Just like they used to do in the Soviet Union.

—Francine, Chester, NJ

Free press is the cornerstone of our democracy, without an untainted vehicle to distribute our news and voices, this country will fail. If given the choice, I and many like-minded people {and there are many of us} will have no other options but to take our news sources and even our entertainment options into alternative resources. Your actions leave us no recourse, but to begin an all out push, to reinstate the FCC's "Fairness Doctrine" as well as the "Equal Time Act". —Leslie siemer, South Beach, OR

This endangers our country by spewing propaganda to mislead the American people.

—Patricia Scott, Mason, MI

please dont be a part of this treason

—Andrea Lefkanic, Ocean View, DE

The amount of stations, and the fact that Sinclair distributes "must run" company produced opinion pieces, and also scripts that the local anchor must say - which is misleading the viewer to think it is their own words should alert the FCC that this is not normal journalism nor a normal business. This could be a danger to the pluralism of our democratic society, and an important reason for the FCC to limit media consolidation.

—Kristyn Barry, Saint Petersburg, FL

BECAUSE THIS IS NOT NAZI GERMANY

—Cecilie Siegel, Concord, CA

WE need fair and balanced television coverage. No one group should have control of so much of the market.

Trump TV goes against American democracy.

—Jo Berry, Phenix City, AL

—, Appleton, WI

Block the Sinclair takeover of Tribune. News corporations owe US citizens unbiased, apolitical news reporting. Sinclair has shown a blatant bias and mandates stations show that bias in what is disguised as unbiased reporting

—Vickie Salter, Phoenix, AZ

We hav reached a point teetering on the death of democracy encouraged by propaganda, misinformation and disinformation. This is not capitalism, it's a take over of a free press, free minds and must be stopped.

We can not have a monopoly in media. This Sinclair-Tribune merger must be stopped.

—Henry Cope, Ashburn, VA

We are not a third world country. We have access to public TV. There should not be a private, governmental broadcasting . Americans are free. Our government should not be promoting propaganda. They should be held at the high standards our news is held to and if they lie then the lose their broadcast rights. This is an American disgrace. Im so ashamed to be American right now.

—Robin Lopes, Fairhaven, MA

This merger should not be approved, as it will allow one company to own too many media outlets. We need more companies for more competition, and diverse opinion, not less. Regulations must be enforced to allow an even playing field for an honest business environment.

—Dave Handy, Doylestown, PA

Stop the madness!

—Diane Campbell, Kent, OH

Sinclair is propaganda, not journalism. Stop this please!!

—Paula Higgins, Tampa, FL

Don't allow propaganda to pass as news. We are not living in a dictatorship yet.

—Cathy Glaesman, Detroit Lakes, MN

1. THIS IS NOT Russia or North Korea. 2. If trump wanna do that, he could just always get himself an island with cables from the USA to be transported and set up a kingdom where he can do that. 3. Or, he can move to Russia and do it there. And 4. THIS ISN'T A DICTATORSHIP. So what I would like to say is, have it stay on youtube where it belongs, NOT in people's homes! We DON'T want it. Its worse enough we have to have him in OUR White House. Please, DON'T make us go through with him having to get to do what he wants. THIS IS STILL the United States. NOT The United States of North Korea!

—Tia, Hollywood, FL

I want to hear both sides of the story but n a free and fair marketplace. Control of 70% of the TV stations is a monopoly and not legal. Please do not all this merger to happen now or in the future. The US must protect our freedoms including speech.

—Helaine Felice, New York, NY

No state run television on taxpayers dime!
—Darlene Edwards, harriman, TN

Please do not allow this to happen.
—Deborah Jaffe, Los Angeles, CA

Keep broadcast stations independent. There are reasons monopolies don't work. Freedom of our press is a cornerstone of a democratic society. Allowing Sinclair to own 70% of station will curtail that freedom. Sinclair has a reputation for exaggeration, propaganda and promoting conspiracy theories. That's not going to help citizens make informed decisions. Please don't allow this merger!
—Donna stoyko, Spokane, WA

This is NOT OK!
—Karina Marwan, El Granada, CA

Don't allow State Tv, Trump Tv to hurt our democracy.
—Kristi, Parker, CO

I resent my tax payer dollars going for incompetence in the WH who is only guide by his hatred of Obama. Trump lies at least 5 times every day. We shouldn't have "free" TV forced to repeat those lies. Trump already had plenty of avenues to spread his bigotry & hate.

—Kate Hensler, Louisville, KY

Hell No to Trump TV.

—Darlene Deslauriers, Memphis, TN

This is wrong. People still trust their local news stations. Sinclair will change that.

—Klaus Yurk, Lincoln, NE

Sinclair Broadcasting is nothing more than propaganda and is unamerican. This country does not need their propanda spewed into our homes. The press must remain free and ethical. Sinclair Broadcasting is sham propoganda thinly veiled as journalism.

—Krista, Fort Leonard Wood, MO

No thank you stop breaking the rules!! Do not put Trump on we are not Russia!!

—Tammy Steans, Salt Lake City, UT

No one company should have a monopoly, especially a company that has a track record of breaking laws. This is bad for competitive business, the American economy, and worrisome for US citizens.

—Art John SSD on, Long Beach, CA

Trump and GOP are ruthless in their dismantling of democratic norms.

—Brady Burton, Worcester, MA

We can not have this happen how will we ever hear the truth

This right wing takeover that suborns our true democracy is egregious and needs to be stopped.

—Scott Morgan, San Francisco, CA

Down with propoganda. Guess what? Most of us are smart enough to know when we're being lied to. You should be on the side of facts, truth and ethics. Greed will eventually render these liars and those that broadcast them obsolete.

The American people depend on the FCC to block these type of mergers and protect our access to fair and diverse reporting. Please show us that you recognize the danger. Thank you
—Tammy Moscato, West Linn, OR

Stop the Sinclair/Tribune merge. A merger between them is one step closer to dictatorship. Allowing a merger to happen would be following the Putin Playbook. FCC has no business enabling a coup by Trump. Stop the merger.
—Joni CAufield, Webster City, IA

God help us.
—Maryanne Southwick, Los Alamitos, CA

This is a gross violation of the anti-trust legislation and it will ultimately leave people without an alternative view point. This is bad for America and sets a dangerous precedent.
—Tim Motoh, Lakewood, WA

I don't want tRump TV. what were you thinking?
—Bertha Nava, Los Angeles, CA

No government entity should indirectly control television broadcasting in a way that is misleading to viewers across the country. No political party should either.
—Savannah Stark, Tiffin, OH

Free press is the cornerstone of our democracy. With one company owning that much media, we are losing the diversity that keeps the press free.
—Jess, Plattsburgh, NY

I am against the merger and any change to law that allows any corporation to control any form of media.
—Diana Esquibel, Pueblo, CO

Hell no!! No Trump TV!!!
—Julia, Texas City, TX

Keep a balance.
—Teressa, Fort Lauderdale, FL

Sinclair is trump's propaganda machine. No way should Sinclair be allowed to exceed the legal limits of media ownership. FAA director needs to do his job instead of enabling trump's agenda.
—, Penrose, CO

—Susan, Scottsdale, AZ

DUMP TRUMP TV. We don't need another propoganda station. There's already FOX "news".

—Carol Adamec, Albuquerque, NM

Think about this country first. Stop this merger. The 39% rule must never be subverted. Propaganda must NOT be fed to the United States citizens. This goes against our founding principles. Show honor to the Truth.

—Susan Baird, Clarkston, MI

Please stop this monster from having his own pure propoganda medium!

—Catherine C Debs, Santa Monica, CA

This proposed merger should be stopped. No one company should be allowed to control that many stations. Sinclair is a shady company who had already violated FCC rules. This is a move by Trump to control the media. FCC should not be his puppet!!

—Lynn Beckman, Marlton, NJ

This sounds like a recipe for enabling "fake news". Let's not go down that path!

—Carrie Nelson, Corona, CA

We don't need a propaganda monopoly feeding the masses falsehoods. We desperately need a free and independent press.

—Susana Terrell, Santa Cruz, CA

Unnessary evil

—Maureen Rode, Lisco, NE

America is not ruled by a dictator and allowing Trump to have his own station to spew his propoganda and messages of hate is anti American. We have seen how hate and violence is escalating since he decided to run for office and with a direct channel for hate it will only get worse. The type of propoganda he will wants to televise is equal to pornography and that isn't allowed to be televised and neither should his messages of hate. Do not allow this merger to go forward and give Trump an anti American voice.

—Candace Bartsch, Huntington Beach, CA

Media and the press MUST NOT BE BOUGHT, CONTROLLED BY JUST ONE COMPANY. Not should it be propaganda filled.

It is wrong for a president to have his own tv channel and this company wants to promote propoganda and fake news. Please stop them.

—Ann sanchez, Toledo, OH

No way maguey!

—, Chicago, IL

This goes so much deeper than media consolidation. This is an attempt by right-wingers to end freedom of the press in favor of Conservative party-centric propoganda. The American people have the right to hear all news and choose who they wish to follow and believe. This cannot be allowed to happen in America.

—Melody Goetz, Gig Harbor, WA

" NO "

—Frank Mcloughlim, Stratford, CT

Stop this merger, much too big to be legal. Also, too much history of slanted news, Sinclair requiring a certain tone, inserted inappropriately. We need a truly free press, this is leading to becoming controlled monopoly.

—Moon Reilly, Pinellas Park, FL

Thus will turn into state run mouthpiece for only the right wing voice. This is an emergency. Please do NOT let this merger happen.
—Debra Cresanti, Buffalo, NY

This is disturbing. I don't want to feel like I am in North Korea.

—Ashley, Chino Hills, CA

Keep free press. Do not allow this company to swallow whole all media outlets.
—Judithanne Westrope, Kingman, AZ

This is the true threat to American Democracy! No media company should control this much of the market, which is why it has been regulated.
—Fonda Ippolito, Buffalo, NY

Stop the insanity and shut this down. Now.
—Linda Frey, Springfield, IL

I absolutely oppose the Sinclair-Tribune Merger. Utterly and completely.

NO! NO! NO! The FCC must NOT knuckle under to TRUMP and this propaganda motivated BULLSHIT! This is not a dictatorship, we do not have state propaganda tv, we are NOT Russia, we are NOT China!!!!
—Janet Porter, Vancouver, WA

This is blatant propaganda.
—Katrina Bowser, Tacoma, WA

I oppose the acquisition of Tribune Media Company by Sinclair Broadcast Group, Inc. Among other things, this acquisition would turn Sinclair the nation's largest broadcast conglomerate and lead to higher prices, more station blackouts, less choice, and less local news for millions of consumers. The resulting company would own more than 500 television stations (accounting for individual multicast feeds), including 117 stations affiliated with a "Big-4" network. It would reach 72% of American households. It would have control over television stations in 108 of the country's 210 television markets, including 40 out of the top 50 designated market areas. Sinclair would also own more than one station in 37 markets. Please protect the interests of the American people!

—Ms. Ellen Jackson, Santa Barbara, CA

We must fight these monopolies.

—Heather Herrick, Eau Claire, WI

This is not okay. This is not normal.

We have Enough LYING ILLEGITIMATE 'NEWS' WITH 'Fox Fake News' right wing nuts! Why do we need another LIE TV idiots!?!?
This is ridiculous and anti-American, why act like a 3rd world country?? NO THANKS, NO MERGERS.

—Tango S, Indianapolis, IN

Never in my life did I think a sitting president would create what amounts to state propaganda TV. It's unreal that any American politician would vote for this, and this WILL be an issue that I will remember in 2018, 2020, and way beyond.

—Brandee Whinnie, Myrtle Beach, SC

This should not be a dictator run company. Allowing this merge will be the beginning of a reign of tyranny.

—Sylvia Brown Smith, Montgomery, AL

No thank you.

—Elayne Blue, Saint Louis, MO

Approving this will take away people's right to choose what message they wish to hear. In Chicago, WGN is the last independent news station. I strongly object to the Sinclair purchase and will ensure everyone I know is involved in protesting his loophole of the law.

—Patricia Rank, Brookfield, IL

No monopolies

—Michael Cavins, Orange Park, FL

This is a boldface takeover of our national media by a Kushner/Trump sanctioned monopoly that peddles overt right-wing propaganda. This is NOT a free press. Sinclair is NO better than Russia's state-controlled media, where every "story" is edited to suit a political leader--Trump!
The conflict of interest and propaganda endorsement by the FCC is stunning! This IS ILLEGAL!

—Debra Bost, Hillsborough, NC

45s propaganda machine is an affront to We the People. Long live the 4th Estate!

—Suzanne Bennett, Littlefork, MN

When the rules were changed in the 80's it allowed any single person/corporation to larger share of the markets. It's been devastating for the American people! These media have been used to spread misinformation, lies, and propaganda, while affecting the outcomes of our elections. This merger would give 1 corporation 72% share of the market! They're clearly spreading misinformation and propaganda now, you will actually affect our democracy if this merger is allowed!

—Kathleen M Focht, Hayward, CA

We don't need state run television. We have enough "programming" on TV that makes people stupid.

—Karen Stayer, Buffalo, NY

Trump has had way too much television exposure. We need television for and about US!

—Heidi Chiao, Oakland, CA

Vote NO!

—Martha, Greenwood, SC

Dear Ajit Pia & Sinclair Cronies, You WILL NOT get away with this abomination of a merger! You have been insubordinate and abusive in your role as FCC Chairman, and we, The People, are tired of your disgusting, shameless corporate ass-licking agenda. It is time to put the FCC back in its rightful place as the REGULATORY WATCHDOG for communication mediums instead of its current role as a DOGWHISTLE for Trump's conservative-serving asshat POS agenda designed for and by pro-Russian fucktards spreading false authoritarian and demagogic hate. Fuck you POS Pai. Sincerely, Gofuck Yourself

No propaganda in U.S

—Noranne Morin, Interlochen, MI

To allow "Trump TV" to happen means: To have citizens of the United States have to watch our country be blatantly wronged by its own lying President, then given a propagandist's platform to initiate the downfall of our great democracy.

—Peggy Thompson, McMinnville, TN

I don't want propaganda TV. Trump TV or any leaders TV is propaganda. The USA is not a communist country. We need more unbiased fact based TV News

—Nan Suah, Ormond Beach, FL

We do not need another Hitler.....save our democracy....

—Nancy Geyer, Stonington, CT

After 6 months of this horrific presidency I sure as hell don't want to look at this orange baboon when I turn

—Marianne Lecoq, Roswell, GA

What good can come of this? Think about which side of history you'd like to be.

—Julie Herman, Brighton, MI

Monopoly should stay on game boards not in board rooms.

—Dawn Torrey, Olathe, KS

Countries ran by dictators have country ran TV. Not in America !!!! This must be stopped and should be illegal !!!!!

Frightening that this could happen in our democracy!!

—Joan Sloane, Conway, SC

No program should be allowed to call itself news when it clearly is not.

—, Raleigh, NC

I am vehemently opposed to the merger of Sinclair-tribune. It monopolizes the market and could be detrimental to our free society.

—Debbie Driscoll, Airville, PA

Please don't allow this merger to dominate the local TV market. Free press is too important to maintaining our democracy.

—Carol Langendoerfer, Waymart, PA

Allowing this merger to go through would be bad for this country.

—Leslie Allen, Tyrone, GA

This should not be allowed. Please protect our democracy

—Joanne Pepe, Hoboken, NJ

The FCC is now exhibiting unmistakable signs of regulatory capture by the industry it is supposed to oversee. Republican FCC Chairman Ajit Pai is not acting in the public interest. He and his partisan Republican cohorts on the FCC are slavishly devoted to the special interests of media giants. Approval of the Sinclair-Tribune merger would not only reduce media diversity, it would constitute a threat to democracy itself. Corporate media are already drowning out the voice of the people. This merger would only worsen an already inexcusably concentrated media market to the detriment of broadly based freedom of expression.

—Dario Navarro, San Diego, CA

Our Free Press Must remain unbiased and accurate and not be hijacked by one side who has a nefarious agenda to bastardize our media with their propaganda.

—Joella Granado, El Paso, TX

We shouldn't centralize, because it stifles competing opinions

—William Warren, Schenectady, NY

We don't need another channel spewing the hate of this administration. Stop taking us backward.

—Anne Moody, Mountain View, MO

Stop it.

—Johnny Beasley, Greenville, KY

NO LIES TV

—Kerry Sullivan, Burtonsville, MD

Isn't reality TV bad enough?

—Kay Katz, Hanover, MD

This would've devastating for our Democracy and our First Amendment Rights.

—Barbara Daziens, Winston Salem, NC

No!

—Maureen Ciancio, Tonawanda, NY

Stop this expansion. No company has the right to create a virtual monopoly of propaganda, not news, meant to drown out all other voices.

This is still the United States of America, not Russia.

—Jodie Shapiro, Roslindale, MA

NO WAY do I want a Trump propaganda channel! That's so North Korean...

—Catherine Keller, Austin, TX

—Mark T. Asselin, Gladstone, MI

Don't let this happen.

—Martha Thomas, Georgetown, TX

It is time that the FCC took a stand against the racist, bigoted, fake news that comes from the current administration. They MUST say NO to to this nonsense.

—Donald Rodgers, Johnstown, PA

Vile propaganda machine ala Nazis!

—, Green Cove Springs, FL

This will only spread hateful rhetoric and fake news. Don't let this become real!

—Tranel McBride, Louisville, KY

This is Unamerican and a danger to Democracy.

—S Freeman, Falls Church, VA

Dump trump tv!

—Roseanne, Farmingdale, NY

trump is insane and should own nothing and not be allowed communication outside a padded cell.

—MaryJane Rissberger, Cohoes, NY

Do not allow Sinclair to create "State-controlled" television to broadcast propaganda.

—Ann Brennan, Port Jefferson Station, NY

NO TO PROPAGANDA TV!!!

—Ann Smith, Delray Beach, FL

This violates the antitrust rules which broke up Bell Telephone. Not only that it's obvious because of the required commercial programming that Sinclair is imposing on local stations that this is nothing more than an attempt to create State TV like North Korea and Russia. Trump TV is nothing less than State TV. What you should be doing is imposing anti fake news regulations

—Dean M. Erdman, Lincoln Park, MI

No state-run propaganda TV
—Jeanie Newell, Littleton, CO

This deal cannot be allowed to go through. Sinclair would end up with a monopoly of US households which is destructive to Democracy, unless of course that is this administration's goal?
—Sandro Pugliese, Brooklyn, NY

Say No To Trump TV - Oppose the Sinclair-Tribune Merger!
—Liz Kraft, Rowlett, TX

this is not right!

This merger is unlawful and must not be approved.
—Nickie Braxton, Woodbridge, CT

Just say NO !!
—David Gamache, Belmont, MA

This is NOT a banana republic! This is AMERICA! No propaganda TV!!
—Vicki pogatshnik, Grand Forks, ND

Besides this being an obvious road to monopolizing a market, my own mother, living in RI, has already seen changes in a local tv news station Sinclair already owns. The news team now slants their reporting and content to favor the current Washinton administration (beginning, actually, with Trump's nomination) whereas in previous years it had been neutral. If this trend continues and Sinclair is allowed to spread its influence and propaganda, we will know for sure that we are on a certain path toward authoritarianism. Do not be beholden to our president's view and empty accusations of the media being 'fake news.' This country's people need, deserve, are relying upon the free press we were built upon.
—Jill Cicero, Navarre, FL

Please do not allow while he is President
—Teresa Moore, Myrtle Beach, SC

This UNAMERICAN anti-democratic consolidation of media--example Censoring MT House Rep hitting Reporter--was NOT SHOWN to local voters. Protest 1st Amendment, not Sinclair--with it's agenda to right-wing PRAVDA or North Korean media tactics.
—Barbara Miller, Novi, MI

Sinclair -no monopoly, no merger.

—Barbara Bochese, Roseland, NJ

NO. Absolutely NO.

—Dianne Medlock Joy, Atlanta, GA

Propaganda

—Margaret Westmoreland, Sanford, FL

Please do not allow the FCC to become the media arm of ANY politician or political party- let alone the fact-impaired regime of the current president. Remain independent for the people!

—Carla Cruzoni, North Haven, CT

This is an outrage. Either we live in the America we've had before Trump, or our FCC prefers us to be like North Korea. I assume people at the FCC have children and will choose to stay American.

—Nancy Caplan, Towson, MD

This merger create a near monopoly with the goal of being state TV.

—Peter Madsen, Gibsonia, PA

I will boycott Sinclair stations.

—Christine Scheib, Chapel Hill, NC

terrifying

—Lyn Mehrbach, Wake Forest, NC

Trump tv is a propaganda arm and it's frightening this os happening in the US.

—Cari golden, Burbank, CA

State-run propaganda is bad for the nation!

—Monica Unseld, Louisville, KY

No to Trump TV! Don't allow this propaganda machine to take hold!

—Jacquelyn Barbee, Niceville, FL

The thought of Trump with a news show is laughable. These propaganda "must play" crap is over the top. People need to be able to trust 19cal news

—Roni Otto, Marietta, GA

This group spreads political propaganda while masquerading as a legitimate news programs. This still is America and we need to stand up against this

—Marie Brandt, Orlando, FL

Trump tv is propaganda it's all lies aand is destroying our country.

—Eleanor Pray, Lewes, DE

Absolutely not! No one company should have so much power! We are not a third world country or a dictatorship!

—Sandra Luce, Carlisle, PA

I do not support overtly partisan news as a propaganda machine of the US government. Merging of Sinclair broadcasting with Tribune will only increase fake news and Russian/u.s. government propaganda

—Ben King, Richmond, VA

I support a free press and reporting on all fronts. Not state sponsored propaganda.

—Ida Kravitz, Wilkes Barre, PA

Propaganda has infested our country with total impunity. I feel that the FCC should consider this as an assault on America and rid our nation of fake news. Please don't let this happen.

—Lori Curione, Port Charlotte, FL

Right wing propaganda should not be part of the local news.

—Maureen Goulet, Manchester, CT

Stop the monopoly of these people

—Dorothy Briseno, Melbourne, FL

We are heading very fast into a State run TV like Russia. We can not let this happen.

—Nancy Oakes, Wharton, NJ

This is not acceptable!

—M Nadler, Oxford, OH

Stop Trump TV

—Michelle Rosier, Venice, FL

Propaganda has NO place in our society. Stop this merger! Protect our democratic Republic. Brainwashing our general society will not serve our nation long-term.

—Robin Lockwood, Franklin, TN

For the love of this country, please do not allow this to take place. Please stand up against this want to be dictator and say no to Trump tv

—Nancy Hansen, Crestview, FL

I do not want WGN to become a propaganda outlet. WGN news is an important part of our community, it's both trustworthy and entertaining. I've started my day with them for over 20 years. If they're bought by Sinclair and forced to air their propaganda videos It will hurt Chicago and take away a vital part of our community

—Susanne Young, Deerfield, IL

No Trump TV. This is allegedly a democracy and we don't need state-run propaganda. Fox is bad enough.

—Constance Eyer, Evanston, IL

Let's stick to the rules. They help make your job as an INDEPENDENT commission clearer and easier.

—Sally Arscott, Los Angeles, CA

Please, stop his merger. We already have significant issues other countries don't because we allow FOX to lie. This merger would help eliminate truth, justice and the American precepts of fairness and equality. FCC, you are our only hope to stop state sponsored fascism from taking over the airwaves.

—Mary Mehren, St. Johns, MI

Stop Sinclair Tribune merger! No Trump TV!

—Beth mazur, Atlanta, GA

As the president, he shouldn't be allowed to control any media as it's a conflict of interest. Also, this seems like he's well on his way to a monopoly. PLEASE say no.

—Karen Jack, Saint Petersburg, FL

This just passed the public under the covers. Shameful.

—Barbara Phillips, Tifton, GA

Keep the Dictators TV off the air.

—Mark Stewart, Racine, WI

I am Boycotting all of my local news because they all are owned by Sinclair and all of them spout propaganda

—Julie Clifford, Axton, VA

Trump TV seems to be state run propaganda, not in America please.

—Tammy, Eatonville, WA

this would turn one single company into the largest propaganda network in this country. This reeks more of a state-sponsored merger and should not be allowed.

—David Weber, Westminster, MD

This is wrong

—Susan Fraser, Arlington, MA

Stop changing the rules for Trump tv. You traitor

—Ms. Carol Conway, Philadelphia, PA

Block the merger

—Roberta Barrera, Corpus Christi, TX

Fox divided us, Sinclair will tear us apart. Both are blatant propaganda outlets favoring an inept, corrupt and mentally unstable CIC. You cannot let America become Russia. We are better than this.

—Patty Lewis, Alexandria, VA

Propoganda TV is bringing down our democracy. Do not allow this merger!

—Constance Devanthery-Lewis, Cambridge, MA

Stop this attempt to erode our democracy. This is terrifying!

—Kathy Beachler, Columbia City, IN

No. This is the LAST thing our country needs now.

—Andrea Durway, Saint Louis, MO

"Get em out of here"

—Peggy Cox, Kingston, TN

We need FREE PRESS not propaganda!

—Rachel Hall, Napa, CA

Keep our democracy! It is dependent on our free press. No corporation should be allowed to own a majority of the press like this!

—Kathy Wilson, Port Orange, FL

Stop them NOW

—Sandra Schenk, Ada, MI

The FCC should not be involved in politics in any way.

—Robert Fines, Kansas City, MO

NO STATE TV. NO STATE SPONSORED TV! BRING BACK THE FAIRNESS DOCTRINE.

—Michael R Tuller, Saint Cloud, FL

America does not need a Trump propaganda channel. Nor do we need Sinclair broadcasting having a 72% monopoly. Do your damn job.

—Carmen Scaglione, Saint Clair Shores, MI

We do not need our news controlled by one opinion Free Press

—Beverly kovacs, Saint Albans, WV

This would be exactly like national propaganda television in North Korea and Russia. Please stop the merger in order to help keep our press fair and balanced.

—Sharon Valdez, Flower Mound, TX

Sinclair cannot be trusted with the responsibility of more broadcasting outlets- they are a purveyor of propaganda disguised as news- this merger is shocking in its potential to suffocate democracy.

—Catherine Ryecroft, Geneva, IL

This country is based on free thought and actions, we cannot have such a media monopoly where 70% of the country is exposed to bias and misogyny.

—Heather porter, Villa Park, IL

Stop this - block this. Not our democratic America.

—Susan Thompson, Tryon, NC

Do not allow this dangerous merger. Trump TV and it's ugly and false propaganda will ruin our country and may cause civil war.

—Joyce, Itasca, IL

I'd feel this way if it were any proposed monopoly!!

—Marcy Rauch, West Harrison, NY

I thought communication monopolies were not allowed by law?

—David Groff, Erieville, NY

This borders on becoming a dictatorship as they have in China, where China's government controls every bit of media information coming in and going out. THIS IS NOT AMERICA, and it certainly will not make us "great"! I AM OPPOSED to allowing this! The FCC must remember who and what they are and STOP THIS.

—Jeanne B., Bowling Green, OH

Does this not at least approach a monopoly ?

—Richard Zook, Finger, TN

It would be highly UNFAIR to give Trump or Sinclair advantage. Please do the RIGHT thing and say No.

—Jo Anne Farino, Las Vegas, NV

This is outrageous and should not be allowed.

—Erin, Scranton, PA

We simply cannot allow bigoted, fascist, narrow minded, hate filled, regime oriented rhetoric hide under the cover of freedom of speech and in television. Help us reverse this trend of going backwards in our National sociological development. Sincerely, R. Donohue

—Rebekah Donohue, Edmond, OK

Unless you are in favor of the president of the United States creating his own news and claiming it's true, you must shut this down. This is beyond a conflict of interest. This is propaganda and one step closer to a dictatorship.

—Janelle Goodrich, Charlotte, NC

I've written to my local Sinclair owned ABC station. I don't want ultra conservative messages implanted in my news and sports programs.

—Frances Scalise, State College, PA

It is so wrong for the president of the United States to have a television station to promote his ideas that are almost ALL lies. This propaganda should not be allowed!

—Lori J Tyree, Cambridge City, IN

This is a clear conflict of interest--and eerily like state-run television. We are not a banana republic! This should not be permitted!

—Susan Miller, Plainview, NY

I am saying NO to propaganda TV.

—Gina M., Schenectady, NY

Limiting the number of stations one corporation can own just aids freedom of speech. In some cities, Sinclair Broadcasting owns all the major tv network local affiliates. People are getting only one side of the issues. The US is not a dictatorship. Vote NO on extending numbers of television outlets one corp. can use

—Marcia Wogstad, La Valle, WI

I don't want state propaganda on my tv! This merger is illegal and immoral! I will cancel my satellite service if my local station is bought!

—Deborah McClure, Afton, MN

Don't change rules that were established to create broadcast fairness & balance. Sinclair will insert a national, political slant into local stations, turning them into conservative propaganda purveyors.

—Elsa Reyna, Chicago, IL

One company should not be allowed to take over the media. This merger will only further divide our country. Sinclair pushes a political ideology that some agree with but the majority does not. Many people only get their news from a local station and those stations should not run biased content. This would never be allowed (and shouldn't be allowed) if Sinclair had a liberal bent.

—Gayle, Auburn, WA

This can't be allowed. We don't live in North Korea or The Phillipines. No propaganda outlets, please. Fox is bad enough.

—Erin Leary, Kirkland, WA

This merge would be very bad for all Americans. We can not let this happen. To much coverage from one single company that runs all media would be like Russia owning our airwaves. Plz block this merge! Please try and keep this media area on a level playing field

—Donna Evans, Sheffield, AL

I will not watch woi news for this reason. Trump tv should not be allowed as that is propaganda tv with real fake news.

—Ludi Lozano, San Antonio, TX

This is a threat to our Democracy. This merger MUST BE STOPPED.

—Jan Phillips, Honolulu, HI

The FCC needs to protect Americans from monopolies

—Jean Munz, Two Rivers, WI

Do NOT take over our media. You are supporting a lunatic that makes Hitler look like child's play. Stay out of our airway

—Darlene Haddow, Wesley Chapel, FL

This would be the nail in the coffin of our democracy.

—Michelle Kisliuk, Charlottesville, VA

This action would only serve the personal interests of one individual. We do not support this.

—Edith Herring, Grand Cane, LA

No trump tv

—Valerie I Smith, Carneys point, NJ

This is not ok. Please block Trump tv. We live in the USA, not Russia or North Korea.

—Marjorie Foster, Lamoni, IA

I am appalled at the propaganda coming out of "Trump News" and Sinclair. Block this merger and save the free press. Would you have allowed a merger for "Obama News"?

—Debbie Ames, Leverett, MA

this is outrageous

—Nancy Dayian, East Walpole, MA

We want a free press with facts not propaganda TV

—Rita Lopes, Bristol, RI

This is the sort of media of dictators. This is an assault on democracy.

—Athena Bernal, New Bern, NC

We do not need anyone to have control of this many stations. We do not need a national TV conglomerate. We do not need the propaganda that this kind of conglomerate threatens. Monopoly is not the way to go with our airways.

—Juanita Hackman, Rockford, IL

Too much power in a single media threatens our democracy.

—Mariana Parker, Tucson, AZ

This is unethical and immoral and insults democracy to allow one company to have this much access...Do NOT allow this...

—Larsen Barnds, Kansas City, MO

Please do not approve Sinclair Tribune merger.

—Linda Librandi, Colonial Heights, VA

No

—Diane Lowndes, Elk Grove, CA

No one entity from any specific background should control THIS amount of messaging. The issue of forced opinion read on all owned stations is additionally alarming. Owning should NOT allow direct pieces to be read WITHOUT a clear statement BEFORE and AFTER, such as "the following opinion piece was sent/written by the Sinclair co, owner of xxx station and expressed THEIR opinion" & "The previous opinion piece was written by Sinclair Co & does not necessarily reflect the views of the news team or parent network". IF we are still in a democracy and value critical thinking for oneself, just as in advertising, it should be clear WHO is saying WHAT.

—Patti Barnes, Perrysburg, OH

I am aghast that Sinclair forces its stations/journalists to run tainted / fake news. What are we, Russia? Think about what you are doing to America / democracy.

—Dakota Erikson, MYRTLE BEACH, SC

Stop the Sinclair-Tribune Merger to bring back democracy! No TV chains should be owned over 39%. This is creating a State TV chain. This will be just like Russia controlled TV. The USA will become a dictatorship like Russia, which is what Trump wants. Stop the Sinclair-Tribune Merger to bring back democracy and not a Non-Science leaning company like Sinclair. The very Rich want to control the media by this merger are trying to dumbify the public. Stop the Sinclair-Tribune Merger to bring back democracy!

—Sandra Schwenzer, Gates Mills, OH

We do not want propaganda. We do not want to be put on par with North Korea, the old Soviet Union or China

—Nancy Maloney, Hartford, WI

Please no state sponsored propaganda

—Omeka Krongelb, Sherman, CT

I thought America didn't take kindly to monopolies. What happened to the USA? All lies? No more monopolies. No state run North Korean propaganda Trump TV!!!!

—Maria Rispoli, Succasunna, NJ

Do not want them buying the tribune company

—Martha mills, Skokie, IL

This is extremely bad for our country. We can't have one company in charge of 70% percent of the market.

—Mayra CRUZ ORTEGA, Haines City, FL

We dont need a Trump station! Get your shit together~

—Jane A Toohey Hall, Bozeman, MT

Media should not be a mega-corp, especially one that forces its locals to release canned biased information. That is propaganda, plain and simple. A free press is key to our democracy. Sinclair is antithetical to the idea of free press. Please reinstate the fairness doctrine- that would be a much better move.

—Sandra Bonner, Murrells Inlet, SC

Don't turn us into Russia

—Deborah, Placerville, CA

Such a merger smells like RT, Russian TV, state-owned. No here in U..S.,please.

—Ms. C Fox, Chester, VA

Allowing this to happen would be a TRAVESTY for anyone looking to the "news" for the truth. In fact the FCC should crack down on ANY news station that proclaims falsehoods and doesn't either retract the story OR penalize the person lying. At the very least a band across the bottom should constantly run stating "this is opinion NOT fact"!!!

—Jacquelyn DeFrino Lynch, Waretown, NJ

By accepting this company the United States of America will become a dictatorship just like Russia China Venezuela and all the others. So what the hell has all our servicemen died for I thought it was our democracy and freedom but apparently it was just a waste of life... By letting the Sinclair Corp get all this Broadcasting you are condoning the end of our country and I must say thank you oh boy oh boy thank you.. please get your head out of the sand and open your eyes to what is really going on here cuz God knows we need all the people who are in power to put an end to this madness!!!

—M barry, North Port, FL

Just remember how Hitler came to power. This is all part of the same thinking. Don't allow it.

—D L. Chaban-Delmas, Palm Springs, CA

Please stop this insanity!!!

—Amy Anderson, Selden, KS

Don't allow state run propaganda on our airwaves

—Michael Patrick, Westfield, IN

—Mary C Grimaldo, Garland, TX

This is clearly unAmerican: only totalitarian states have State TV -- this conglomerate represents a propaganda machine.

—Laura DeSena, Sparta, NJ

If tv news becomes mere propaganda we should all cut the cord.

—Catherine Michael, Ithaca, NY

Don't do it!

—Elliot Land, Jacksonville, FL

It's appalling this is even allowed to happen!

—Donna thorson, Olympia, WA

Say No To Trump TV Sinclair is braking the rules and it is not right it is against anything we stand for in America

—Gayla Turley, Arlington, TX

I remember the Ma Bell debacle. These large mergers have already gone far beyond what should have been allowed.

—Randy Kleckner, Earlville, IL

Our media is already controlled by far too narrow a consortium of owners, and we are seeing the toxic results of that play out across the nation. This deal must NOT be allowed to go through, for the good not only of the nation, but democracy as a whole.

—Linda S Frayer, Cleveland, OH

The laws apply to ALL. Hold them accountable and do not allow this merger.

—Lora Ford, Hummelstown, PA

Propaganda TV..Do we live in a 3rd world country ???

—Christine Brown, Castleton, VT

—Pamela Revier, Saint Michael, MN

We don't need more hate in the world.

—Elisa Vasquez, Galveston, TX

Please stop the madness . No Trump TV and don't mess with net neutrality.

—joshua Elrich, Brunswick, GA

NO STATE RUN MONOPOLIZED TV!!!!!!

—Marianne Giesler, Larkspur, CO

This is a terrible precedent and should be stopped immediately. This is pure propaganda dissemination.

—James Pierce, Whitney Point, NY

Giving this kind of access to Sinclair is unprecedented for good reason. Don't do it

—Lyn Thomas, Manahawkin, NJ

Please Don't let this happen.

—Rebecca Humphreys, Hendersonville, TN

One group should not control what 70% of the US is watching !

—Gary James, Cortland, NY

Monopolies are used to eliminate competition. Reducing unbiased and investigative news is dangerous. Increasing news geared toward favoring an authoritarian message, is dangerous. Trump picks his news. America doesn't have to let him. Stop this. People died to protect our freedoms, and this is just Hitleresque.

—Frances Pagliaro, Southport, NC

Don't indulge Trump and his lies and filthy propaganda

—Suki, ,

We need more diversity in our broadcast choices, not less.

—Ed Hickey, Lynnwood, WA

Please don't all Trump TV as president he is trying to prosper financially as much as he can. It is degrading.

Monopolies are UN-American along with politician run state tv
—Iyan, Redlands, CA

NO TRUMP TV!!!
—Christine McCORMICK, Phoenix, AZ

Stop mergers that end diversity
—Melodie ford, El Cajon, CA

Megalith media organizations with agendas informed by opinions rather than investigative reporting of the truth are the territory of authoritarians. This anti-trust merger is a consolidation of media power for propagandists.

—Brooke Baggenstoss, Seattle, WA

It's all propaganda.
—Charles Weinstock, Saint Louis, MO

We don't need more propaganda, and no single company should control that much of the media.
—Brett Huston, Madison, WI

The President of the United States shouldn't have his own tv station or any say in "free press" because that is a conflict of interest (especially one who claims anything that contradicts what he says or does is "fake news").

—Kathy Adler, Middletown, DE

We are not North Korea. No to State TV! No to propaganda!

Local stations should not be forced to run propaganda.

—Susan Breslow, New York, NY

Please do not allow Trump TV to spread propaganda in America.

—Steve Collins, Endicott, NY

It is very dangerous to our democracy and free speech to have one organization control so much of the local TV stations, which should be public airwaves, and therefore push their own agenda.

—Paul Gold, Merrick, NY

This would be an unthinkable amount of power for one company to have. Stop this now.

—Dan, Ashley, OH

Must stop this madness!

—Harold Turchin, Surprise, AZ

The last thing we need is a "national TV station" that spews out propaganda.

—Jo Vance, Westminster, MD

Sinclair Broadcasting Group should NOT have control of the News. They are nothing more than a propaganda outfit. This is a serious breach of any standard of intellectual rigor.

—Csaba Attila Szokolczai, Princeton, NJ

We are not a third world country we don't need to have a presidential propaganda media. We are not China or Russia!

Put the brakes on.

—Deborah Santiago, Renton, WA

Ridiculous

—Robert Jones, Hurricane, WV

Trump creates enough fake news. We do not need more

—Sherry, ,

—Susan Silberman, Boca Raton, FL

No Trump TV Fuck Trump

—Sifiya Hancock, Virginia Beach, VA

This is pure propaganda..with ugly political and social undertones. It is unhealthy for any society and country to condone or allow this type of slanted, bias programming. The naive and uninformed will "believe" ..setting us up for ugly social unrest. Our country is at a crossroads and we can succeed by become a more open, welcoming society, which is healthier from BOTH a social and economic perspective or we can destroy ourselves from within by allowing programs based on misinformation, bigotry and hate to thrive. We need the FCC to do the right thing and say NO.

—Nancy Lacy, Wichita, KS

This is the start of something extremely evil. People are scared, don't buy into it.

—Billie Frank, Santa Fe, NM

Monopolies are dangerous to our liberty and economic security. We need free and fair news that comes from local stations who represent their viewers, not some big corporation that wants to sell people on anti-American values for their own profit.

—Vivian Hood, Ayer, MA

USA doesn't want this propaganda. NO.

This is an extremely dangerous move and harmful to our democracy. We need journalists who adhere to principles and don't try to promote right-wing propaganda. The fact that this merger is even under consideration is very disturbing. Please prevent Sinclair Broadcast Group from taking over our airwaves.

—Christie Woolsey, Des Moines, WA

News should always be held to the highest standard. Fox News is a crime against America and Sinclair taking over local stations would be just as bad possibly worse

—Allison Dawson, Parowan, UT

This is a president who can't divest himself of anything and personified greed!

—Margaret C. McHugh, Sparta, NJ

Allowing a consolidation with this impact needs to be reviewed clearly through the lens of state-owned propaganda machine that Trump's oligarchs are hoping to create. That is real, and terrifying.

—A Barcelo, Santa Rosa, CA

This is how Hitler started. Stop it now!

—Adrienne Hubbard, North Las Vegas, NV

This goon should not be allowed to influence public opinion with his lies and propaganda. We are not a communist country and he should not be allowed to foist their way onto our Republic.

—Brenda Bender, Dallas, GA

This merger will more or less legalize the hatred and bigotry which has come to epitomize not only this president but the people who have shown that facts and truth have no meaning. Please stop this merger!!

—Rob Gabrish, Portland, OR

Keep our FREE PRESS FREE from bias. Restore #FairnessDoctrine now.

—Marla Schulman, Sherman Oaks, CA

I remember when we all considere state-run TV, such as Pravda, to be dangerous and propaganda.

—Heather Gray, Irving, TX

Whatever happened to antitrust laws? A free and competitive press is vital for any democracy. The ability to control news and dictate content in so many media outlets is exactly what the FCC is designed to prevent in its role as protector of the public airwaves. There is absolutely no justification for this kind of attack on the opportunity for differing viewpoints to be expressed. It is quite simply another step toward strangling free speech, freedom of expression and a free press.

—Cathy A Kennedy, Northfield, IL

We need a free press not propaganda networks

—Troy Broderson, Sioux City, IA

We cannot allow a propaganda machine to go forward. Stop this now!

Using a loophole to circumvent your duty to public is atrocious.

—Jayne Mershon, Alexandria, VA

State run tv has no place in our democracy

—Mark, Laurel, MD

Another huge step to erode our democracy if the merger is approved!!

—Maddie Stone, Nyack, NY

Sinclair is forcing public stations to propagate their extreme agenda. This is NOT the American way, and this is NOT normal. Thank you.

—Paula Fichman, Las Vegas, NV

Sinclair Broadcasting is overreaching.

—Rita Koski, Atascadero, CA

KTLA has long been a favorite of mine. I do not wish it to turn into something that no longer provides unbiased local news. I am against this merger as it will deprive me and all residents of Southern California of real community centered local news and would instead provide blatantly slanted PR marketing disguised as "news". As a former journalist and as a citizen of Orange County who likes the non slanted fun KTLA news approach, I reject this merger and hope you will as well.

—Mary M. Redoutey, Fountain Valley, CA

NO TO TRUMP AND SINCLAIR!!!

—Mb, Elgin, IL

To allow a president to have his own channel is a direct reversal of our checks and balances system. It is nothing more than an avenue to propaganda.

—Kathy Lohr, Harrison Township, MI

Why are you allowing a monopoly in our media, especially when it's an extremist company like Sinclair Broadcasting? No one should own 72%+ of the media share. Just because you're buddies with Trump you find loopholes to help his buddies. I can't wait until Trump is thrown out of office. He's destroying this country and Sinclair Broadcasting would just help him to destroy it quicker.

—Susan Hartman, Scottsdale, AZ

Dear FCC, Instead of enabling propaganda why dont you stop it and enforce the anti propaganda laws in this country and restore the fairness doctrine? I demand you do this!

—Jahari Davis, Lansing, MI

NO to Trump TV. This is a democracy. We don't want controlled Sinclair takeovers of the airwaves. Block the merger and restore policies that encourage a diversity of local media owners and a wide range of viewpoints. You have no right to limit what we see or know or hear. Freedom of the press is important to our Constitution, our Bill of Rights and our citizens.

—C Dance, Comstock, MI

Please no. Not what this country needs

—Tammy Carrier, Katy, TX

Yeah, no.

—Ada Madigan, Costa Mesa, CA

do not let this happen...ever.

—Ellie Gersten, Tempe, AZ

we have enough distorted reality coming from the WH

—Barb Jacobs, Sarasota, FL

This violates federal and state antitrust laws. FCC breaks it's own limits and breaks the law.

—Mary Collins, Fort Wayne, IN

It's wrong starting a commercial program owned by a sitting president. This department used to have a backbone, what happened to your ethics and the promise to protect the American people?

—Steven Devore, Des Plaines, IL

This should not be allowed. No to a Government sponsored propaganda machine.

—Theresa Arndt, SALEM, OR

This merge should not happen with Sinclair Broadcast Griup & Tribune.

—Donna McNeil, Traverse City, MI

We are America....Not Russia!

—Carolyn Baker, Kapaa, HI

This merger would be as bad, if not worse, than if Time Warner and Comcast had been allowed to merge.

—Molly Smith, Derby, NY

Please do not allow this merger! Already so much distrust in our nation at this point, we can't have biased local news. We're supposed to be the land of the free.

—Kathy Graham, Gladstone, OR

The percentage penetration of this one company would be unacceptable. There are good damned reasons why media companies are limited in their market share. NO!

—S L Voyles RN, South Beach, OR

Media needs to remain diverse!

—Ms. Zoe Anderson, Portland, OR

We are above this propoganda BS! Have a spine and get rid of this!

—Eleanor Haimsohn, Hernando, MS

This is NOT right! You should NOT be doing this! Stop this!

—Karen Blunt, Atchison, KS

No to Sinclair and no to trump tv!

—Joni Pelland, Waterford, MI

The last thing this country needs is a state sponsored propoganda network. It would be a huge step backward in the ability of the free press to do the important work they do.

—Christine M Herbert, Waretown, NJ

Boycotts will emerge with the merge. Sinclair is a conglomerate whose segments drip with lies. Leave net neutrality alone. The people will not settle for less. Free and open Internet!

—Colleen, Forest City, IA

Stop the dictator!

—Nancy Mullen, Blue Springs, MO

Enough is enough. The precedents didn't just "happen".. limiting station ownership - and influence - are there for a reason! No. No. NO!!!

—Judith Foy, Ann Arbor, MI

This is vital for a free and informed democracy.

—Colleen Vawter, Salem, OR

NO to TRUMP TV!
—Diane, Upland, CA

I remember the Fairness Doctrine. It annoyed broadcasters and owners and ideologues, but it served an important purpose - to remind us that the airwaves are public property, managed for the public good, and that efforts to subvert that public good would not be tolerated. Our history for the last 30 years, since the demise of the Fairness Doctrine, is evidence that it was, and is, an important part of our ability to have the national dialogue that an informed population requires in a democracy. If the FCC surrenders more broadcast media outlets to a single ideologue, it will diminish our democracy even further. More importantly, the FCC will have abandoned its role as keeper of the public trust. Do NOT permit the Sinclair/Tribune merger to proceed. Constrain media ownership and control. Keep the public trust.
—Bryan Watson, West Bloomfield, MI

Please do not let this "dictator wannabe" have his own TV show or channel or network. It is bad enough his infantile behavior is on all the news channels. He OK

—Catherine Cooper, Plant City, FL

Please stop the fascism
—Jeff Cooper, Oceano, CA

Sinclair merging with Tribune would create a megacorp with near monopoly power that has an agenda not favorable to American democracy. Deny this merger and preserve a diversity of information and perspective in American media markets.
—George Henry, Louisville, CO

FCC staffers must stand up to their crooked head and fight back against his attempt to aid Sinclair's agenda of turning local TV news stations into Russian TV-style propaganda machine for dictator Trump. If crooked Pai has his way, millions of real Americans will be changing channel or simply turning off TV whenever Sinclair's lying pro-Trump propaganda comes on. Mr. Pai, if you're not a supporter of fascism in America, prove it now and rescind your invitation to Sinclair to take over American TV news.
—Maev E. Hewitt, Cross River, NY

Media should be neutral and report real news not propaganda
—Kathleen McDonnell, Monroe Township, NJ

—Paul Myers, Philadelphia, PA

—Tiffany, Burke, VA

Stop the Sinclair Tribune merger

—Todd White, Carlsbad, CA

This will be so dangerous for our country please do not let them do it!

—Jeannette Thibeault, Manchester, NH

I see far to much of his childish uninformed spiteful vindictive rhetoric without airtime to it. If he were building up our Country and not being as hateful and destructive that would be different. If you aired trump 24/7 on every channel I'd throw my t.v. away.

—Barbara Mullings, Pueblo, CO

FCC this is not how a democracy functions. Please stop this merger. It allows state media propoganda. Like NK or Venezuela or Hungary. Not America.

—Elga Prehn, Ventura, CA

We already have so many "faux news" outlets that large numbers of Americans are being lied to and don't know what to believe anymore. We don't need the President having the ability to dictate what his "news" is and serving it directly to his brain-washed followers. This is a very bad idea. Please say NO to Trump TV.

—Liz Craig, Mission, KS

This is a harmful and hateful broadcasting

—Ann Sjostrom, Duncan, OK

Ever turn on the TV in dictatorship nations? Their TV feeds nonstop and unopposed propaganda showcasing the leader in only positive lights. That is where we have been and are headed.
—Rachael Novikas, Chicago, IL

Citizens need diverse news sources so that they can access the truth of the news on any given station. The merger of the Sinclair and Tribune news groups would leave many people with only one source of news and way over the maximum number of news sources normally allowed by the FCC.

—Judith Peascoe, Vienna, WV

Please ban this horrible sham which is only a propaganda front. One noisy group should not be able to push their brainwashing on the whole county.

—Roxanne Schwarz, Lockport, IL

Sincerely FCC you must consider what you will be doing if you allow the merger to occur....there is more than enough hate spewing political hell in the news area already. Too much power in one arena is not good for the health and well being of this country...please do not allow this to happen...we need the diversity of the many not the hate of the few...thank you..sincerely Lisa P of San Pablo, CA.

—Gina Gregoire, Charlotte, NC

This is bad for the country.

—John McLane, Austin, TX

Cause it's like State Run television stations.

—Nina Allen, Haskell, NJ

American media ownership is already too concentrated. This merger would be a victory for right wing propaganda and a defeat for the people's right to diverse sources of information. Sinclair's proposal to merge with Tribune media is an obvious overreach that should be immediately defeated for the good of the people and the country. Next step - immediately begin to dismantle Sinclair's already too large conglomerate. Free speech is a paramount value for our national well being - huge media conglomerates make free speech and access to diverse sources of information impossible. The proposed merger should not be allowed. The existing Sinclair conglomerate should be disbanded.

—Helen Cagampang, Berkeley, CA

Never allow this!

This merger must not be allowed. It must remain illegal. Their hateful propaganda should not be allowed to be forced on 70% of the country's local tv stations.

Sinclair Broadcast Group has become a house organ for the divisive and severely partisan agenda of our current president. This is not what a free press is about, and totally antithetical to what the FCC is supposed to be protecting us from in the first place.

—Christopher Howatt, Weehawken, NJ

No trump tv!!

Consolidation threatens democracy.

—Janet Atha, Huntsville, AL

No to Trump TV

—Segolene giacomoni, Madison, AL

Only dictators, autocracy's and oligarchies seek to control all the media in their countries. In a free democracy we take first amendment rights and freedom of the press as the most important freedom we have.

—Margaret E Renzetti, Danbury, CT

This poses a serious blow to objective local news coverage.

—Patricia Taylor, Huntsville, AL

This was one of 45's plans all along. Stop it.

—, Winter Park, FL

I am 100% opposed to this merger. This is antithetical to a democracy to allow any one company to have a presence in so many markets. In addition, Sinclair airs propaganda, not news.

—Diane Yates, Seattle, WA

Do NOT allow this merger to proceed. A take-over of this sort is dangerous to our democracy!

—Linda Meigs, Huntsville, AL

There is already way too much influence in this country by one side of the political sphere. We are rapidly losing our democratic ideals and structures - allowing even greater influence by the one side will almost certainly finish this democracy and that which many of us consider to have made this country great will no longer exist.

—Christie Buck, Huntsville, AL

We do not need political brainwashing.

—Denise Graham, Huntsville, AL

Totalitarianism / Fascism comes to mind. This must be stopped.

—Marcia Braun, Miami, FL

This is the absolute worst thing and it should be illegal. No sitting President should have a television station or show that's all about him. As we know Trump is a pathological liar so we can expect lies from Trump TV. Expect LIES! Please do not let Trump TV to proceed. It's bad for our democracy and probably unconstitutional as well. No elected official should be allowed to have a propaganda outlet like the one Trump wants. ZERO! Do NOT let TrumpTV to proceed.

—Mary Van Vliet, Forest Grove, OR

Being granted an FCC license to broadcast is supposed to be a privilege which mandates responsible behavior and content beneficial to and serving the community. Thanks to decades of Republican media consolidation, there are fewer voices and choices, and the public has suffered both in terms of service availability and price, and the access to both present and hear differing ideas. Fox has long been an active participant, a leader in the politically biased promotion of slanted and twisted ideologies and even starkly untrue facts, as has Sinclair, and on that basis, if they could be impartially judged, their licenses would not be renewed, let alone a merger be approved which green-lights such monopolistic consolidation as this represents. But the fact that politics dictates that the means to disseminate untruth, and that access to platforms and channels should (like Republican gerrymandering of voting districts) not be available through fair-play, but rather be a tool at hand for the wealthy media owners who want more influence than their single vote, doesn't mean that broadcast entities which do not fulfill the constitutional mandate for the Fourth Estate in their news departments should not be held liable in some way other than public outcry or boycott. So far, since the Republican era of mass-media acquisition and control begun under Reagan, no one has seriously challenged license renewals or mergers on that basis. The right of free speech has always had clearly recognized limitations and boundaries, which someday may be expanded to include consequences for generation and promotion of falsehoods. Meanwhile, as a consequence of media consolidation, political divide and voice singularity has damaged democracy through the serious reduction of outlets with moderate and varying viewpoints. This must end, and the knot of narrowing control of America's venues of thought and idea exchange loosened so the stranglehold today's media has upon thought and politics can be untied, not tightened.

—Malcolm Kantzler, Cincinnati, OH

The beginning of the fascist state! Or are we already there?

—Kathleen Doyle, Miami, FL

Please uphold the standards our nation was built on.

—Alison Demarest, Mount Airy, MD

This is completely outrageous! It MUST BE STOPPED!

—Ms. Simonetta Baldwin, Santa Rosa, CA

Please block this merger. This would create too large a group which would homogenize local news services and drive out local competition for 'eyes'.

—Ms. CJ Livingston, Seattle, WA

Politically motivated TV is not acceptable. Start investigation into FOX!

—Ron Richins, Olive Branch, MS

This is clearly fascist, and must be stopped.

—Marta Barbeau, Kapaa, HI

If the FCC approves this bit of antitrust action it will go Disney in history as the most corrupt FCC in the history of this country and will have contributed to the creation of a national propaganda network. THIS is how fascist states are born. PLEASE be patriots and stop this.

—Amy J Cohen, Los Angeles, CA

Stop this NOW! We need to safeguard freedom of speech in order to maintain our democracy. Study history--the first thing despots and fascists to is to take control of the press.

—Dr. Beverly Joyce, Columbus, MS

No deal please

—Anita Martinez, Perris, CA

Stop this outrageous deal.

—Anna Cortez, Perris, CA

We need to break up these big telecom businesses, not make more of them. Not good for our democracy to have fewer news agencies.

The Fairness Doctrine gone, and now this? Do you really want to expose our great nation to this kind of danger? THINK !!! and act for the citizens NOT the greedy and power hungry !

—Kenneth M Johnson, HAVANA, FL

45's tv station would promote false information, that he gathers from unreliable sources, to the public. This would incite his base to react negatively to real news gathered from reliable sources that legitimate networks are reporting.

—Roberta G. Zuckerman, New York, NY

Stop this madness please!

—Brenda Bailey, Toney, AL

This attempt at consolidation is just plain wrong on so many levels. This must not be allowed.

—Chrysanthe Soukas, Bellingham, WA

Talk about propaganda!

—J Florczak, Brookfield, WI

This a lot like pence. Not that trdumpester couldn't come up with on his own. pence, while he was governor of Indiana, tried to start a radio station. There was such a backlash through public out cry that pence gave up. THIS IS NOT SUPPOSE TO BE NAZI GERMANY!!!!!!!!!!!!

—Vickie Diilon, Indianapolis, IN

This is starting to feel like a Nazi-era , authoritarian take-over of media. There is no place for this in a democracy.

—Beverly Faulkenberry, Staunton, VA

FCC chairman Pai wants to allow Sinclair Broadcasting to break the 39% of market share barrier specifically so they can force local news stations to air verbatim pro-Trump propaganda in with regular local news broadcasting. This is anathema to upholding the free press that is vital to the functioning of our democratic government. It needs to be stopped.

—Tom Dickerson, Seattle, WA

Do NOT allow this merger!!!

—Harry Childs, Austin, TX

We can't allow our media to become any more consolidated than it is.

—Margaret Wiley, Portland, ME

This is an abolition to democracy.
—Clarence Tipton, Ashland, KY

—Diane Younkins, Knoxville, MD

Stop this outrage!!!!
—Marilyn Reames, Trabuco Canyon, CA

This would be devastating to America's Free Press and would be used for conservative propaganda!
—Linda Gaye Miller, Austin, TX

I am already dismayed about the acquisition of my local station, KOMO, by Sinclair, and the changes they have demanded in newscasts there. This is NOT an appropriate organization to capture 70% of market share.
—Melinda Mueller, Seattle, WA

NO MORE HATE from our TV's. We had such a nice country until January 20th 2017. Sinclair is like a large group of Nazi's trying to mold OUR country in their sick twisted image.
—Ken Larson, Aurora, CO

I will throw my Television in the trash!!!!!!
—Doris White, Scranton, PA

TV stations should post a bias on screen when they have one. Why must we constantly have propaganda from the rich? STOP this GOP CRAP!!
—Ken Larson, Aurora, CO

Please don't let these people dominate our free press. I want a free press not one that is bought by the politicians. Thank you.
—Mary Carter, Overland Park, KS

NO !
—Sage, San Francisco, CA

Sinclair broadcasting owns two of our local stations and have ruined the trust I have in those stations. This seems to be the first steps toward state run media. Please make them stop the propaganda.
—Nancy Johnson, Cheshire, OR

Our country does not need a right-wing state run TV! This is propaganda and is undermining democracy!
—Sharon Brown, Kingsport, TN

I oppose this merger because it is a conflict of interest, which benefits conservative right-wing views.

—Valerie Richardson, Laurel, MD

Never in history has such a corrupt President been elected. He is baiting a nuclear power and may be removed from office for both being unfit, (sooner), or colluding with the Russians, (not quite as soon, but not later). This would be one of the items investigate as illegal and the person responsible for this will have a great career making little rocks out of big ones.

—Steven V Duran, Denton, TX

A monopoly in the free press is illegal

—Constance Hale, Atchison, KS

Sinclair is evil and must be stopped!

—Pam Hricik, Mount Pleasant, SC

A single company simply cannot control this much media. Monopolies this large are antithetical to a free market and must be stopped. If our economy indeed thrives on competition, a monopoly like that proposed by Sinclair Broadcasting would destroy the information economy. Please block this unethical merger.

—Chloe Conradi, Winter Park, FL

Say NO to Sinclair! We need a FREE and INDEPENDENT PRESS not an alt right or alt left government controlled news agency. Trump invented and propagates FAKE news!

Please stop partisan news from expanding
—Patricia Gabriella, Westminster, CO

a free press should not be owned by any entity

We need a well informed populace, unless we want to become a totalitarian state like North Korea or Russia. I love our country, dislike propaganda and the thought of state run or state influenced television. Our country is in deep trouble. Freedom of the press is essential to our democracy. Seems as if " our government " dislikes democratic rule by the people, of the people and for the people. Please help !!
—Nancy mager, Los Gatos, CA

Unchecked, unedited, forced propaganda CANNOT be allowed. This is not freedom of speech. These channels would be FORCED to say scripted lines.
—David Demaris, Walla Walla, WA

I say no to a media monopoly!
—Patricia cornelius, fairport, NY

Do not allow the UHF discount in order for any particular media corporation to finagle the purchase of additional broadcast stations - especially not when it has the potential to create a monopoly. It doesn't matter what the political leaning. It should not be allowed, but especially not when the owners are using their media outlets to influence a political agenda.
—Mary Lindsay, Santa Clara, CA

—Nancy C. Faria, Tucson, AZ

—Merle, Cedar Rapids, IA

Trump's lies travel far enough now without this extra amplification!! Stop the undermining of our democracy!!

—Ken Wilkie, Trenton, NJ

In addition to the obvious problem that this creates a too-large monopoly, it is a huge conflict of interest for the president to be involved in anything like this. It is the closest thing to state-run television.

—Ann Summer, Princeton, NJ

Please keep freedom of press and access to varied perspectives alive by refusing this corporate merger. It threatens our democracy in a very serious manner, as it further opens the door to propaganda that supports arctic interests.

—Elisabeth Williams, Arlington, MA

FCC works for Americans. Do the right thing!

—Jesse Williams, Arlington, MA

—Jane Chamberlain, Austin, TX

Monopoly of thought is bad.

—Ronald Welch, Calais, ME

The fact that Sinclair is already forcing local stations to broadcast their propaganda is appalling! This merger will give them too much power to propagate their views, as if they are impartial, and unbiased.

—Sylvia Avsharian, Owosso, MI

Shame on FCC Crooked We need good journalism not nephew nazi propaganda

—Stacy freeland, San Diego, CA

Stop this madness! It is not normal and shouldn't even be considered.

—Lisa C. Brown, Holland, MI

This final subversion of The US Constitution's guarantee of freedom of the press by the government controlling GOP is, clearly, an intention on their part to immerse America in fascism.

—Karen Clark, Santa Fe, NM

In my area we have only one local news channel. I should not be forced to watch "news" with a stated bias whether it be Liberal or Conservative. Please deny this move at further media conglomeration. Thank you.

—Louis Mihalka, McKinleyville, CA

"And Sinclair went all out for Trump in 2016. Jared Kushner, the president's adviser and son-in-law, boasted about the special deal he struck with Sinclair to get Trump uninterrupted favorable coverage.³ And Sinclair has been hiring Trump campaign spokespeople as analysts ever since.⁴" This is not what was taught in OSU's School of Journalism when I was a grad student there in the early 1970's. Please support good journalism efforts, not this slanted content.

—Joan Harless, Columbus, OH

I support a free and diverse press not a quid pro quo for the Trump administration.

Keep America Free.

—Nancy Elswick, Sarasota, FL

Block this merger! Block this merger! Block this merger!!!!

—Lydia Hines, Athens, AL

We do not need this consolidation. News and information are vital for our democracy and economy to flourish. This merger would hinder such and instead broadcast a corporatist view good for neither our democracy or our economy.

—Michael J. Moore, Dallas, TX

I am disturbed by the news that Sinclair Broadcasting might be allowed to extend its range by merging with Tribune. The principle behind both our airwaves and our newspapers is that they should serve the public. Sinclair could never have gotten a broadcast license prior to this century, because it broadcasts divisive, sometime hateful material. Furthermore, this merger is anti-competitive and will further narrow the range of views available in the media. This merger is not in the public interest and should be denied.

—Joel Swadesh, Albuquerque, NM

Please help stop this.

—Kenneth Pflueger, Wenatchee, WA

Please stop this merger between these television stations. The public needs to know different points of view from many stations, not just a company that owns a conglomerate of stations. This would not be fair and unbiased information. Thank u!

—Lorraine Friend, Aurora, CO

This country was built upon diversity of experience, thought, ability and action. In order for our country to stay strong the information people receive cannot be controlled so strongly by a single entity. Our diverse opinions are both our power and our beauty.

—Carol Spirko, Princeton, NJ

This deal would create an unthinkable level of media consolidation by a company that's used the public airwaves to push a conservative political agenda. DO NOT rewrite the rules to make this possible. This question of transparency and access in media extends far beyond one single administration. Unconsolidated news is critical to our democracy.

—Dara Burwell, Denver, CO

This is an unconscionable merger that will devastate our meager media diversity and must be blocked.

—Patrick T. Lafferty, Overland Park, KS

Sinclair owns 2 of the 3 news station in my area. They are not news stations anymore, but are political advocacy stations. Don't let Sinclair control the media.

—Arna Shaw, Eugene, OR

The FCC is paving the way to allowing a monopoly of our TV airwaves by Sinclair Broadcasting. I remember when we had Bell telephone. Too big so they became baby "Bells". Now we have many phone companies and it is nice to have those choices. TV should be the same way, we should have the choice of content that we wish to see instead of having it limited to the choices of a small group of executives at Sinclair who purchased the relaxed FCC rules with overly generous Television advertising to the Trump campaign. I am strongly opposed to the merger of Sinclair-Tribune Broadcasting, and will turn off all Sinclair stations before I will subscribe to the one sided vitriol of Sinclair (Trump) Broadcasting.

—Christine Potter, Cadillac, MI

Please Please Please stop it

—Robert, Englewood Cliffs, NJ

Media consolidation serves only producers. News exists to inform the people from many viewpoints. Media consolidation serves to limit viewpoints. You can protect consumers and encourage competition by limiting consolidation.

—Cary Birdsall, Talkeetna, AK

Don't take away our freedom of speech.

—Becky Malm, Deltona, FL

This would be an unconscionable consolidation of broadcasting power. Our airwaves must not be restricted to so few voices.

—Sharon Hallanan, Lambertville, NJ

No merger.

Stop the Sinclair-Tribune Merger

—Barbara Morgan, Honolulu, HI

I believe in Free Press and the sanctity of the American press.

—Lorraine Minatoishi, Honolulu, HI

The FCC was established to make sure the public was served by radio broadcasting. Regulation of how owners of radio stations operated their businesses included that they would serve the "public interest, convenience and necessity" emphasizing that religious programming would be included non-commercially and reflect the religions established in the communities served by the licensed stations. When FCC yielded to religious leaders who wanted to make money with commercial religious programs, that led to destruction of religion broadcasting in public interest convenience and necessity. ended the extensive ministry for which I had served religious leaders who had little knowledge of how to produce broadcasts. It was a great ministry until commercial religious intruded.

—Reuben Gums (aka Gums, Jamestown, ND)

The only guarantee of a free press is the existence of a multitude of independent voices in the dissemination information.

It is far past time to bring back the fairness doctrine. If conservatives think their ideas are more popular, then they should welcome having both sides represented on TV.

—John Moffett, Gaithersburg, MD

It is too big already and has too much power

—Bernadette Siebert, Ames, IA

Vote no on the rule change that would allow Sinclair Media Group to take over Tribune TV. More media consolidation is not in the public interest. I will be watching as WPHL-TV is in my broadcast market. Thank you.

—Kevin Oshea, Philadelphia, PA

Too much power in one hand

—James H Chesky, Vancouver, WA

Because the country is so large, we depend on the media for an unbiased reporting of important events, particularly those happening thousands of miles away. Thus, it is crucial that the FCC do everything it can to create and maintain a diversity of views. The primary way to do this, with the fairness doctrine repealed, is to ensure that no one company controls too many outlets.

—Peter Gelblum, Boulder Creek, CA

We need diversity in news.

—Sue Skidmore, Springfield, MO

Already way too much concentration of power. Remember freedom of the press!!

—Don Porter, Schenectady, NY

A free and diverse press is crucial to the functioning democracy. Allowing one corporation to hold an enormous percentage of the media market endangers the ability to hear different viewpoints.

—Brooke Adams, Charlotte, NC

Keep local independent stations local!

—Robert, West Hollywood, CA

Sinclair has an agenda to include the systematic brainwashing of the GOP / Trump agenda, please deny this merger

—Frost Jones, Destin, FL

we have enough media that imposes their personal agenda on the america people. i oppose the sinclair media merger

—Michael Schwartz, Northport, NY

We need to reinstate the fairness act, not allow more propaganda to proliferate!

—Betty A Wilson, Pensacola, FL

This is completely unethical and will completely change the way so many people get their local news, forcing local station to broadcast unsourced propaganda. Diversity in sources of news is important and the rules should not be changed to allow this to happen.

—Rosemary Savoia, Philadelphia, PA

NO POITICAL TV!!!! FAUX CHANNEL MAKES ME PUKE.

1) This is an additional step to dismantling our freedom of speech! 2) this is an antitrust - monopoly and needs to NOT BE ALLOWED!!

Sinclair Broadcasting has proven themselves to be a right-wing propaganda organ who promotes falsehoods. They should not be allowed to make this merger.

—Jerry Bloomer, Burlington, IA

This merger is wrong for the country. Viewers, especially young viewers, need to see an honest presentation of news that is void of propaganda. This is The United States of America.

—Theresa Jill, Columbus Junction, IA

Concentration of media outlets in a single owner cannot be allowed to persist. Block this takeover.

—Sarah Pierce Martin, Boulder, CO

This is not in the best interest of freedom of the press when it would monopolize viewers and drive smaller stations out of business. Stop the propaganda

—John Bova, Olean, NY

Our democracy is at serious risk on so many fronts. This one would be critical and devastating. These propaganda monopolies must not be allowed to further destroy American civil discourse.

—Leslie Englehart, Dayton, MD

Please disallow state-run propaganda. We need a free press to preserve democracy.

—Lauren Burton, Two Harbors, MN

THIS is fake news. Thank you for not allowing it.

—Donna Bogren, Asheville, NC

The FCC, under Ajit Pai, is attempting to change the rules by allowing Sinclair is invoking an antiquated rule involving UHF coverage to justify their increasing monopoly. UHF does not even exist in the digital age. This is propaganda by the current administration, pure and simple, and cronyism at it's worse. This is wrong. This should not be allowed.

—Cathy Pyron, Signal Mountain, TN

This much bandwidth should not be controlled by one company. It is the antithesis of freedom of the press. There will be little bandwidth left for competing ideas to make it to air. There has been too much media consolidation over the last 20 years (and particularly in the last 10). It is not good for our country and it is disastrous for investigative journalism. Please stop this merger.

—K Campbell, El Dorado Hills, CA

The FCC should not approve this merger and break the law. Block this merger and restore policies that encourage a diversity of local media owners and a wide range of viewpoints.

—Martha, Biloxi, MS

We must encourage a diversity of coverage in our media. Please act on behalf of the American people to keep televised information from becoming the monopoly of one company.

—Elizabeth burkhouse, San Jose, CA

Monopoly should be banned!
—Jean Davis, Gig Harbor, WA

We need the media to present fair and balanced coverage - that's what our Founding Fathers based our democracy upon. Sinclair has not adhered to this tenet of democracy and has shown no inclination to do so in the future.
—Laurie Meyers, Long Beach, CA

This is the worst merger idea ever.
—Sheila Krueger, Phoenix, AZ

You are the deciding factor here. I totally agree that "The FCC should block this merger and restore policies that encourage a diversity of local media owners and a wide range of viewpoints.". Otherwise, you are condoning "state run" TV, and propaganda - pure and simple. DON't ALLOW this merger!
—Cynthia A Brooking, Covington, LA

Don't corrupt yourselves. Keep monopoly out of the airwaves.
—Julie Berz, Howell, MI

This feels like another step to government controlled TV. Please don't go down this road.
—Jan Fraga, Bristol, VT

BLOCK this merger...this would be a disaster for the USA!!
—Linda, East Rochester, NY

Information should not held in a monopoly by one company - this merger moves our country closer to state run news like Russia, China, and North Korea.
—Chris Gleason, Ames, IA

WAY too much power for one company!
—Denise Bate, Cornwall, CT

Sinclair is not a media company, it's a propaganda machine. Further, the combined company would cover as many ¾ of US households, which is a totally unacceptable consolidation of information, severely hurting competition, limiting diversity of views and destroying media localism since they force so much centrally produced news to be aired. It has consistently flouted FEC regulations and been fined. That track record alone should send a signal that this merger should be denied.
—Sue Hornik, Bellport, NY

Included in Andrew Breitbart's fiery speeches against the media was his message that if the conservatives were to win then they'd have to take over the culture and take over the media. This is an attempt to buy our democratic press and must be stopped.

—Susan Dey, Andes, NY

We need more indecently owned tv stations not less! The FCC needs to stop giant conglomerate take overs and mergers. Sinclair is literally notorious for imbedding sponsored content, creating and airing political propaganda to specifically advance one candidate over another, and sending centralized content to local station affiliates and requiring that they air the content with no disclosure that it may not represent the views of the reporter reciting it. Not only is Sinclair unethical in their broadcasting, but the CEO is also on the record as stating that the driving force behind every broadcast is revenue and sales, and reporters and stations are not given budgets for actual investigative reporting, or even just researching the stories planned to air. Sinclair is a disgrace to the media landscape and undermines the important role that broadcasting plays in how voters make decisions about issues and candidates for office. Deny the request!

—Catherine McDougal, Agawam, MA

I feel we are in an oligarchy coup and you literally illegally are facilitating it.

—Nancy Elaine Broskie MD, Salem, OR

Bring back the fairness doctrine. Giving Sinclair additional stations further unfairly slants news with no alternatives in many areas. They lie and sow seeds of dissension in an already hostile environment.

—Dennis Metnick, Margaretville, NY

This proposed merger would consolidate too much control in one place.

—Matthew Hartzog, Millerton, NY

No to propaganda TV

—Esther Garfield, Naples, FL

There should NEVER be a monopoly owning the media. Fairness should be the goal of the FCC.

—Lynn Cannon, Eugene, OR

It's important to keep the media diverse, and presenting differing points of view, even if it means the viewer has to decide for himself or herself which side is telling the truth. Once all local media report exactly the same thing, we're in the land of propaganda. Do you really want to live in a 1984 world? Do not allow the Sinclair merger.

—Jolanta DavisIt, Littleton, MA

Sinclair consistently violates the firewall between advertising and editorial, resulting in the spread of biased, bogus "news" among consumers unaware that it is "sponsored content"; forces outlets to air fact-challenged, far-right editorial rants; and is the company that slamed John Kerry with demonstrably false attack ads. Reject their request for a merger with Tribune, which would constrict TV-news notions and pollute the data stream with junk science, advertorials masquerading as bias-free reporting, and far-right propaganda.

—Mark Dery, Nyack, NY

Didn't we all grow up learning to appreciate the role of anti-trust laws in our democracy? And now you propose to foist an unconscionable level of media consolidation in one company, purely because that company is powerfully biased in favor of the POTUS & his policies. That would be an attack on our democracy. Don't do it! Don't trash fairness. Don't allow one company--whatever its biases--a previously prohibited level of media consolidation.

—Neal Snyder, San Leandro, CA

This merger should NOT happen.

—Jane Cocker, Gaithersburg, MD

Please God no.

Monopoly = NO GOOD

—Robert Lidsky, Andes, NY

We adamantly OPPOSE SBG gaining ANY ADDITIONAL OWNERSHIP OF THE FREE PRESS.

—Michael & Karen Miller, Andes, NY

Sinclair operates as "pay TV", their stories largely cover paying advertisers without revealing the bias. The public deserves fair and unbiased reporting. They also don't deserve virtual monopolies. The breakdown of regulations under the Trump administration is outrageous!

—Susan Slagter, Reno, NV

This is repugnant propaganda. Plus Borris Epstein is a bad journalist.

—Richard Kaiser, Seattle, WA

Please don't start us down the path to state sanctioned news services. We are not North Korea!

DT gets more than enough coverage on national TV. We don't want the airwaves to continue his vile bigoted words since he supports the ALT RIGHT/KKK instead of denouncing them outright for what they are!

we are learning about this rather late. The FCC is now headed by a Trump appointee, and this is but one of their new plans

—Barbara Nimri Aziz, Roscoe, NY

—Dr. Maryanne Burgos, Germantown, MD

No propaganda TV!!!

—Barbara Evans, New York, NY

This deal cannot be approved if we are to prevent the monopolization of the media. In a free, democratic society we cannot countenance the takeover of one group of an overwhelming majority of the media. This Orwellian rule-changing plot must be rejected by all of the powers that be.

—Karen Higgins, Massapequa Park, NY

A monopoly of the dissemination of information is counter-intuitive to 1st Amendment of the constitution as well as counter-intuitive to marketplace competition, one of the fundamental basis of capitalism. There are an enormous number of basic factors to stop this monopoly and no reasons to allow it to occur.

—Charles Hahr, Roberts, WI

A state controlled press will destroy our democracy

—Robert L. Moore, Hamilton, NY

This merger must not be allowed. It's creating a monopoly and competition will be drowned out, depriving the citizens of choice.

—Joan Elmer, La Habra, CA

Stop the march toward Fascism in the United States. White supremacist propaganda should have no home in our broadcasting system. Protect the public airwaves.

—Betsy Marshall, Highland, NY

This significantly reduces information diversity, thus creating a monopolistic broadcast media situation. It will stifle access to free speech. It should not be permitted.

—Eric Winter, Tustin, CA

A free press is the only thing that protects our country from becoming a dictatorship.

—Ruth Thomas, Minneapolis, MN

Please don't allow this to happen!

—Leslie, Los Angeles, CA

This man is definitely on a POWER TRIP!!

—April B. Denton, Pompano Beach, FL

Deliberately sending propaganda for the president, aka FAKE NEWS is disgusting. This is not a Banana Republic! I will not watch Sinclair. I liked our local KOMO station, but no longer watch it because Sinclair forces the station to air Boris Ephstein's alt right views. If this president continues to put out this garbage, then, once again, he is showing his bigoted, racist views.

—Mary Hughes, Vashon, WA

Allowing this merger to be approved will prove without a shred of doubt that the regulatory systems set up by previous administrations are now puppets of the ideological right with no independence. Prove me wrong by voting NO on this merger!!!

—Joe C, Collegeville, PA

No way!! Fair access to honest media is crucial

—Jennifer Gilchrist-Fuentes, Rockville Centre, NY

FCC: Do not allow this merger, which amounts to a monopoly and will limit public access to unbiased media in major cities throughout our nation.

—Randa Schmalfeld, Fullerton, CA

Monopolies in this regard destroy freedom

—Nancy Woron, Shrewsbury, MA

It's bad enough with all the untrue propaganda on Fox News; this will divide our country even more! Stop the Sinclair/Tribune merger!

—Lisle Leete, Los Angeles, CA

There are restrictions in place for a reason, this workaround to implement the merge will not be beneficial to the citizens of the US

—Troy G, Chandler, AZ

Unbiased and open reporting is what is required, not the spreading of propaganda by way of the privately owned media.

—Keith Rycroft, Chester,

We can't allow our local media to be manipulated by a partisan conglomerate. Freedom of the press with fair and truthful information for the population is crucial to our democracy working.

—Mel Bellar, Andes, NY

This is an attempt at controlling our media like other authoritarian country's

—Kelly Kenney, Independence, MO

Stop the Sinclair taking over of TV stations. It is wrong and must be stopped. There will not be fair and unbiased reporting if this merge is allowed to happen. Be on the RIGHT side of history. Please stop it!

—Kim Schmitz, Iowa City, IA

We don't need our own version of RT, thanks.

—Sherie Bradfute, Los Angeles, CA

Unacceptable Merger. Gives too much control over information to a single entity with an agenda. Against Anti Trust legislation designed to protect the public.

—Daniel Hesse, Storm Lake, IA

Sinclair Broadcast Group and Tribune should NOT be allowed to merge due to right-slanted views and news commentaries.

—Valinda Parsons, Ames, IA

Ugh. Stop SINCLAIR!

—Lisa Imus, Malott, WA

We've already got Trump TV. They report on him pretty much 24/7 already. We certainly don't need one run by him!

This is an outrageous monopolistic move. NO!

—Sean T McCarson, Malvern, PA

It is frightful that this company can command their stations to spew their rhetoric. Americans deserve non-bias reporting.

—Paula Peterson, Anacortes, WA

Would be nice if you could do something FOR the American people for a change.

—Sunita Dolbow, Wichita, KS

No more propaganda outlets!

—Sandra Cadwallader, Durham, NC

I could tell the local Sinclair station was biased to the right BEFORE they started airing the Terrorism Alert Desk (which is just used to scare people and make them distrust anyone with brown skin) and the Bottom Line with Boris (just more biased and unnecessary commentary). Showing these Sinclair "programs" does a disservice to the community by following in the footsteps of FOX News. Americans need "real news", as in, just the facts, mam, and less "commentary".

—, Mounds, OK

NO NO NO

—Julie King, Williamsburg, VA

please don't make the U.S. media like Russia and China where we would only get partial news, and that news would not be truth

—Lee, Tucson, AZ

Freedom of the press should keep the playing field of ideas fair. This merger would go against that.

—Ruth Walker, Cedar Falls, IA

This merger must not happen. We don't need a defacto "state media" outlet for ANY political party.

—Dan Hudson, Edmonds, WA

Trump TV would continue racism, bigotry, and white supremacist ideology. Do not support this kind of views.

—, Nebo, NC

We have a Sinclair station here. They do the worst local news, and their network-provided stories often show a clear political bias that is inappropriate for a local news organization. Nobody needs more of them.

—Sarah Ammerman, Columbus, OH

Sinclair is claiming that since 97.5% of its broadcasts are free from persuasion that this should be ok.. I strongly disagree. I do not want any of my news biased - This merger gives them way too many inroads enabling them to spread their right wing propaganda. I want completely unbiased news. This would not be feasible in any other administration but Trumps. Trump and Sinclair do not get to change the way things are done.

—Susan Hamilton, Snohomish, WA

—Susan E Stein, Ambler, PA

Another nail democracy in taking information from American's to give Sinclair's right to spew propaganda.

—Diana Schoenbeck, Magnolia, DE

Americans shouldn't be forced to learn how to sabotage Trump TV stations in order to prevent further propagandizing, but if it comes down to it...

—Michael Phillips, Antioch, TN

Doesn't matter who the president is. Change the system.

—Tom Riviere, Temecula, CA

This is a monopoly. Too powerful too allow.

—Dave Schroedr, Council Bluffs, IA

This merger would give Sinclair a higher percentage of stations than currently allowed. This merger should NOT BE approved. I am also concerned as their opinion pieces are not stated as opinions pieces during the news programming which leads many listeners to take as fact rather than opinion of the right.

—Diane Harrington, Mount Vernon, IA

DO YOUR JOBS and stop this media monopoly.

—Sara Crane, Seattle, WA

The only thing that will save our democracy is campaign finance reform and a truly free press.

Don't enshrine real Fake News, please!

—Charles Fox, Santa Monica, CA

Given the problems that we are currently having with accusations of "fake news" on all sides, it does not serve the public interest to make even larger media companies that work against having a diversity of local media owners and viewpoints. This merger is too big to succeed in the public interest.

—Katharine Landfield, Washington, DC

—Croitiene ganMoryn, Ocala, FL

This is dangerous stuff. Just say no while you have a chance.

—Christopher Ellis, Highland, MD

We really need to stop this!!!!

—Joe Whitmore Jr, ELIZABETHTOWN, PA

News should be from independent sources, not from media conglomerates that control the stories.

—Michele Sherriton, New York, NY

This is obvious cronyism and a very thinly veiled attempt at having state-run media. That's not a country I want for myself or for my future children.

—Benjamin Green, Madison, OH

Russian tv in the USA NEVER!!!!

—Kris Swanson, Sparks, NV

This would be double-plus bad.

—A S, Anytown, PA

Monopolies are not supposed be allowed in this country. This is particularly critical in the area of the news media, where it is so important for there to be many different voices. Tis merger would dramatically limit the voices that people hear on local news all across the USA. Don't let this happen.

—Steven Levinson, Marina, CA

Ajit, I do understand the position you're in. However with your education so what if trump "fired" you for not swinging with this look at me agenda. You are too smart to be led by the nose. Don't compromise what you know is right for anyone ever. Your family will still love you and the public will respect you. Trump TV. Once this era has passed this is going to look pretty hokey don't you think? It seems the better option here would be to rely on your own power and the man you are. Best to you.

—Mike Rader, Salem, OR

a single company would own more than 200 local-TV stations reaching more than 70 percent of the country. That's far beyond the legal limits on media ownership and far too much power in the hands of a single company. PULL THE PLUG !!!

—Terry Wilson, Emporia, KS

Sinclair is notorious for slipping right-wing views and Republican talking points into its newscasts. The company overrides the objections of local journalists and forces its stations to run conservative commentaries and slanted stories on the local news. Stop Trump's FAKE news

—L E Payne, Epsom, NH

Dreadful...propaganda machine.

—Alan Kadish, Corvallis, OR

This will create a monopoly in newscasting! STOP this merger!

—Susan Freel, New York, NY

This is simply selling out the public to profit a few. Government is supposed to protect the public from exactly this type of unprincipled sellout.

—David Waggoner, Garden Grove, CA

If we lose the diversity in media we are doomed to have one, universal "news" source. When that happens, citizens will be getting only what others deem they should know. We are headed in that direction right now. American citizens, but for the benefit of a corporation with a singular intent: control. I would have you think of America first, and that is good for the nation.

—Bob Bush, Yuba City, CA

Sinclair should not be allowed to own so many stations

—Joan Stephenson, Windsor, CO

Stand up for the Constitution of the United States, Ajit Pai.

—Jill Adler, Manteca, CA

Please do not let this happen.

—Debbie Collins, RONDA, NC

No president deserves to have his own personal propaganda mouthpiece. Such activities undermine vital democratic and political structures.

—Nathan Ring, Millersville, MD

This is bad! Please oppose this merger.

—Scott Kavanagh, apex, NC

If we allow information to be monopolized by one set of companies, then all we will see or know is what THEY choose to show us!

—Eric Jacobs, Boise, ID

This is NOT freedom of the press, as our founders intended. This would be a monopoly, obstructing free speech. Another totally alarming development!

—M L Gibbons, Portola Valley, CA

Please leave a legacy that the next generations of your family can really be proud of you for !!

—Bo Svensson, Santa Rosa, CA

Your mandate is to serve the American people, not the corporate elite. Do not facilitate the monopolization of opinion and bias in the media marketplace. As a corporate "citizen", Sinclair continually acts in bad faith.

—Alex Thomas, Portland, OR

Enough with fake news! Yellow journalism!

—Brad Russell, Rock Springs, WY

I urge the FCC to reject the Sinclair merger as a threat to our democracy at the grassroots level. Sinclair has been fined before for airing bold-faced propaganda, and will do so again even after Trump-era. Allowing such a powerful company more power is an affront to our democracy by misleading more and more of the public through "must-run" segments that slant information in a very conservative light. While there's nothing wrong with political leaning, diluting a diverse array of news outlets to a singular conglomerate such as Sinclair jeopardizes the free flow of information that encourages discourse and compromise in our democracy. Do not allow Sinclair to control more of the flow of information to the American people!

—Edgar Christian Cancinos, Chicago, IL

That's all we need is another right wing takeover - I fear for the future of our nation.

—Patricia Nadreau, Tomah, WI

Too many of our citizens are being brainwashed by right wing media. Stop this takeover - our nation does not need a trumpian biased brainwashing merger

—Gerald Nadreau, Tomah, WI

—Jeanette Becker, Chicago, IL

This is a real danger to the concept of a free press!

—Sharyn Scull, St Augustine, FL

How Dare You! This man needs a station to further corrupt and destroy our America. It is ours, not yours you had better back off from this disturbing partisan act of treason.

—Brenda Boudinot, Painesville, OH

The US sells spectrum, instead of licensing the use, as most other developed nations. We must be vigilant on ownership, and encourage the marketplace of diverse ideas.

—Ted Lapis, Sheridan, WY

John Oliver's expose on Sinclair clearly shows the risk of allowing this fake news to overtake legitimate journalism. Stop this merger.

—Mark McCluski, Teaneck, NJ

The media should not be used for propaganda.

—Donna-Lee Phillips, Eureka, CA

Our independence is threatened by these big money oligarchs. Please stop this merger.

—Susan Young, Murphy, NC

How can we have freedom of the press as guaranteed by the Constitution if the press becomes a monopoly?

—Nancy Woolley, Stoughton, MA

I strongly protest the takeover of local news by Sinclair, who is doing nothing more than promote their own propaganda agenda.

—Thurston Ruggiero, Camp Verde, AZ

Radio diversity is massively down thanks to the various radio mergers over the last decades - having tv follow the same path is just pushing away from these airwaves being well used by the public. Please stop tv and radio giants and encourage diverse small owner operated stations - it's more jobs, more diversity of content, more democratic and generally better for America.

—Heidi M Petersen, San Luis Obispo, CA

Make the air waves work for the people not against them.

—Donald (Spike) Wetmore, Incline Village, NV

Oppose Trump TV: Stop the Sinclair-Tribune Merger!

—Willie Edwards, Tacoma, WA

Sinclair runs a large number of stories which are full of falsehoods stated as truth. Hate groups and dangerous white nationalists and the KKK place their propaganda there and "news" people pretend it is normal and acceptable. We do not need a civil war, which Russia is hoping for now by supporting extremely disruptive groups.

—Susan Todd, Chicago, IL

No more right wing propaganda posing as news. No monopoly for propaganda. Local stations should be owned and controlled locally. No more Trump TV. This is America, not North Korea.

—Richard Selleseth, Lodi, CA

GOOD GOD!!! HELL No!!!

—Fjaere Mooney, North Hollywood, CA

America does not need a monopoly! If you fail to stop this merger the results will be on your hands!

—Ms. Cat terry, New Rochelle, NY

It is important for democracy that we allow a free and open press. Why are you allowing a company to own and control over 70% of the media. Stop this action now!

—Susan Potoczak, Birmingham, MI

Our local TV station, KOMO is now a Sinclair owned outlet. That has so infected our Seattle TV that I no longer watch that station.

Propagabpnda is inserted in this programming and is not consistent with the values of tge viewers. Propaganda does not equal news! Sinclair should not own a majority of the television outlets in this country!

—Pamela Wiseman, Sequim, WA

We need independent news sources- not more mergers.

—Janice Clark, Portland, OR

We don't want News that is made to fit with the lies of the Trump Administration. We want factual news and we won't get it with the likes of a propaganda news less organization like the Sinclair Broadcast group.

—Don Kjellberg, Portland, OR

we must learn from history re. propaganda."a lie repeated often enough".

—Janet Mayhall, Topanga, CA

What we desperately need is MORE newspapers, not fewer, and those more newspapers under different companies so we get some of the various points of view we used to get, rather than the slanted presentations now so prevalent. Once again, please DO NOT ALLOW this merger.

—Kurt Harper, Shepherdstown, WV

They are unbelievable.

Not my president. What a joke he is.

The right wing in OUR America is trying to destroy the most of us. They just want to steal all WE have to line their own pockets. This is a monopoly NO MERGE FOR SINCLAIR AND THE WGN STATIONS. THE WGN STATIONS BELONG TO CHICAGO!!!!!!!!!!!!!!!!!!!!!!!!!!!! !!!

—Mandi Woronowicz, Brookfield, IL

Sinclair has used its ownership power to force affiliates to broadcast specific messages. To have that be true for 70% of American households would be extremely bad.

—Ellen Hertzmark, brookline, MA

This is almost a take over of the airwaves. Sinclair does not have a good record for following rules. This merger seems like it sounds that it should a be against the law. This is not a good idea. NO MERGER ALLOWED

—John Eder, provincetown, MA

A monopoly is never good

—Robin Christopher, Warren, OH

Hate speech is not free speech when broadcast by a hate speech Mega Titan

—Chris Morano, Santa Rosa, CA

—Louis Judson, Novato, CA

They have a really bad reputation. Do not expand their reach. This is out of balance!

—Gail Marks, New York, NY

Our democracy is falling apart! Please do not allow this merger, which would further limit people's access to a variety of information.

—Susan Kalman, Colorado City, CO

He really needs to do the job as president and stop the nonsense, not that I think he has the brains to do the job anyway, he does not need his own station, we deserve to know the truth and we will not hear it on a station like this

—Winona Samuelson, Red Oak, IA

It takes about two seconds of thinking about this to realize how detrimental this could be to the American people. During normal times, the American people need a robust independent media outlets to hold the executive branch accountable. During these dark days we need then to be an umbrella that can protect the American people from the deluge of lies and vitriol being spewed from a completely unfit criminal organization until the time comes that they are removed from office.

—Zack Stack, Portland, OR

Surprised and disappointed to learn that the FCC advocates propaganda and racism...is Trump handing you \$\$\$\$ to pay for your bigotry?

—Rachel Wickart, Normal, IL

No one should have the American racist occupying a fake news channel. I will protest to no end on this issue!!

—Chris, Des Moines, WA

A diverse media makes democracy. As Nazis roam our streets... can we really afford to make a decision that allows a greater voice to those who would empower them

—Pauline Bleach, ,

As former Radio Station Owner....and with a broadcast background of over 30 years, I cannot emphasize enough how this will both affect the quality of radio programming, and the incentive for varied/diverse ownership interests to seek a role on the broadcast spectrum. When the FCC mandated ownership property limits prior to the 1990's---the message was about opportunity, not catering to the chosen few. C'mon FCC---represent the people!

—Bill Failing, Portland, OR

Government tv/media is government propaganda, farthest thing from freedom of the press. It threatens our democracy

—Sandy Chapman, Windsor, CA

It's time to stop the mega-media mergers! Enforce our antitrust laws!

—Sybil Malinowski Melody, Clarkdale, AZ

The people will prevail... keep it up and suffer thy consequences!

—Scott Van Dusen, Rochester, NY

Agree! Thank you.

—Joyce Felsenfeld, Cranbury, NJ

Another Trump shady deal.

—Judith Kelly, Buzzards Bay, MA

Haven't you guys heard of anti-trust???

—Rex F Roberts, Lacey, WA

It is really nice to have some type of presentation of justice and equality in our news. We will be forever torn apart because the majority of American people are for justice and equality and media that fosters inequality and bigotry that feeds the moral midgets and minority of this country will keep us forever stirred up. This is becoming a very uncomfortable place to live for a person who wants to live a life of justice and peace.

—Sister Roberta Hudlow, Saint Louis, MO

Are you guy's a bunch of Nazi wannabes.....this merger isn't the correct move....DON'T ALLOW IT!!

—Dennis West, Yachats, OR

This is an insane abush of responsibility.

—Wesley A. Wada, Bend, OR

There have been other countries that have lost their freedom abd their ideals. If we don't keep our morality and honor our democratic norms we can become one of them!

—Debbie Highfill, Morro Bay, CA

This merger would form a monopoly which doesn't serve the interest of the American people. Sinclair is a sleazy company that has received fines for airing propaganda. Do not reward them with a wider audience.

—Rae Jones, Fordville, ND

NO, NO, NO TO TRUMPS TV. WE HAVE HAD ENOUGH OF HIM AND HIS GREEDY FRIENDS.

—Arlys Fones, Portland, OR

This is in violation of the Sherman Anti Trust Act. Trump and his people are a terrible threat to our Democracy. What are our citizens who support this man thinking. Don't they see that all that he values revolves around his ego and his money.

—Susan S Beard, Lexington, KY

Please say no and protect citizens from this!

—Carol Tolley, Saint Joseph, IL

TV is meant to be neutral and free from divisive content. We all have the right to receive factually correct information that is not manipulated or altered to suit any one party or person's interests.

—Kassandra Torres, Ozone Park, NY

Free flow of information. Ingenuity. Hard work. These are founding principles. How do we compete in the world market if we dumb down our citizenry with generic and biased news?

—Kylie Loynd, Snohomish, WA

Stop the illegal merger and care about the people, not the wealthy! Do what's right!!!!

—Marlane Spillinger, Sebastopol, CA

The FCC should block this merger and restore policies that encourage a diversity of local media owners and a wide range of viewpoints.

—Hal B Rager, Arvada, CO

We get enough fake news with every word out of his mouth and every tweet he makes!

—Hollis Whiting, ,

This is horrible.

—Kate Davidson, silverton, OR

A free press is an absolute necessity for a free society.

—Scott Strand, TURTLE LAKE, WI

We don't need propaganda from the White House, just balanced news without spin or straight up lies.

—A, Vashon, WA

This president and/or the Republican party need to be stopped from ignoring or changing rules for profit##

—Susan M. Nickerson, Battle Ground, WA

My community has seen at least two TV stations impacted by this merger and people here are not at all happy about it. Monopolies in media are dangerous and bad for our country.

—Gay Kramer-Dodd, Eugene, OR

We need REAL INDEPENDENT NEWS. We don't want anymore corporate controlled media who give us their opinions rather than the actual, factual information and news.

—Corey Sheehan, Bedford, MA

Stop his horrible propaganda Garbage !

—Douglas fish, New Port Richey, FL

Democracy will be dead if this merger goes through because the buying of 42 stations will spew out more radical right messages and we'll be a country of lies, racism, bigotry, anti-women, anti-voter, haters and will be no different that the Taliban memorizing/chanting the Koran....it's a take over of our right wing's minds!! Stop the Sinclair-Tribune merger for the sake of democracy and reason!! WGN here in Chicago will be nothing but a right-wing mind-bending station and make us no better than a 3rd world country ruled by corporations, the wealthy and evil!!

—joni Lindgren, ELGIN, IL

Truly I can't believe you're doing this. Clearly violating previous rules that were set in place to avoid monopolies. Don't do this!

—Walter Peterson, Ojai, CA

This merger should NOT be allowed. Sinclair news is known to be ultra conservative and would affect the ability of the American people to hear the true facts. This country does not need another station equivalent to Fox.

—Mrs. Mary Dowd, East Bend, NC

I am extremely disappointed in the FCC. You should be ashamed of yourself. Furthermore, if this is allowed to go through, every person responsible belongs in prison. You need to grow a spine, and start pushing back on these types of proposals. They are not in the best interest of this country.

—John R Evans, Daly City, CA

Are you serious? This merger is something I would expect from a sub par agency.

—Deborah Jacobson, Williston, ND

Don't go any further

—Kathleen L. Samsel, Seaside, OR

FCC seriously.... leave our internet alone... it's free for all to use, lastly FUCK DONALD TRUMP!!!

—Katie fox, Johnston, IA

Keep the airwaves free of beaurocracy! No! to Sinclair!!!

—Lewis Baer, Penngrove, CA

Our democracy can't work without serious real news ... this should NEVER have been allowed to happen!

—Cynthia Bristow, Placentia, CA

It's absurd that the FCC would even contemplate the merger of the Sinclair Broadcast Group and the Tribune. I find this extremely upsetting!!!!!!!!!!

—Craig Mohr, Palo Alto, CA

Legislators must keep the interests of the public ahead of everything else. The public is harmed by media monopolies. Competition at the level of local media is absolutely essential. Do not allow Sinclair and Turner to merge!

—Aida Munoz, Madison Heights, MI

The role of the FCC is to ensure that all Americans have exposure to a wide variety of free broadcast news sources. This merger creates a consolidation of sources of information for people that rely on TV news. It should be rejected.

—Lucy Steinert, Essex, MA

There are not enough free thinking independent news media outlets currently in the USA.. It is appalling to even think of Trump TV broadcasting controlled by the worlds biggest liar!

—Bill Whelan, Florence, KY

Having one organization control so many media outlets is an invitation to authoritarianism. This is the antithesis of competitive capitalism and should be prevented.

—Diane Markowitz, Framingham, MA

This is not what a free market looks like.

—Nancy Grandillo, Tiffin, OH

I am very concerned that the concentration of media in a few hands will result in a less successful democracy. When only one side is covered, the whole country suffers from the lack of robust conversations that should shape the future of our country. Only by having opposing views, do we reach a consensus of what should be the way forward. I strongly oppose this merger.

—David Underwood-Sweet, Danville, KY

Yay Trump! Ignore all that canned garbage above. What the President wants to do is fine with me. #MAGA

—Martin Hill, Swanton, MD

News in attested information; barindwashing, ropaganda, outright lies, fake news and hyperbolic cliams and misuses value statements are something else--something not permitt as "non fiction" of any form. Rgis organization is gangsters, not purveyors of attested facts, accepted conclusions and stabdards-based value statements. They need to be fined, put out of business, arrested and stopped from doing what they are doing under McCarthyist lying and unproven "headlines". Thank you.

—Robert M. Cerello, La Mesa, CA

We don't need anymore fascist bs on our FB.

—Shirley Furst, Bend, OR

The tRumpanov (s)administration is doing everything it can to bring the United States into the Dark Ages. The biggest purveyor of "FAKE NEWS" will receive a tremendous boost if tRumpanov's crony, Ajit Pay, current FCC Chairman, is allowed to proceed with this plan. I add my voice here to resist tyranny!

—Jean McKee, Boulder Creek, CA

Are you Madmen? What are you doing to this country? This is traitorous tyranny!

—Bernadette Webster, Whitethorn, CA

We have too many media monopolies as it is which need to be broken into smaller pieces. This would not serve anyone's best interests, even Trump's, in the long run.

—Barbara L Gowen, Boonville, IN

Free Press is almost completely gone, dont let let this last part of the Bill of Rights END!

—David Juter, New York, NY

NO media outlet should have that much access and control over the news, especially given their so one-sided in their reporting! The FCC Must NOT allow this mega merger!

—Kathleen Focht, Hayward, CA

I am strongly opposed to the consolidation of media in the hands of ever fewer owners. This compromises freedom of the press by severely limiting editorial philosophies.

—Patrick McGann, Marianna, FL

This is incredibly dangerous and it needs to stop now.

—Braxton Wood, Kuna, ID

Don't let this happen!!!

—Jane Cramer, Eugene, OR

This would be disastrous.

—Dawson Jerri Sue, Saint Augustine, FL

—Gail Noel, Dubuque, IA

This is or should be illegal

—Crystal Foster, Lexington, SC

Monopolies can only exist to the detriment of communities because they stifle competition, a so called pillar of free-market capitalism. If competition in information is eliminated, autocracy and dictatorship are not far behind. At that point, neither capitalism nor democracy survive.

—Michael H Forster, Portland, OR

Man you guys will really do anything as long as the price is right. How does it feel to be a whore? How sad of a country we live in. I love how he keeps repeating "fake news" but that's all you scum are "fake news"

—Todd Kukoleck, Akron, OH

This is an outrage! The airwaves belong to all of us and your job is to protect them, not sell them to propagandists.

We are not in a dictatorship yet freedom of speech is a constitutional right!!!!

—Virginia, grass valley, CA

Say no !!!

—Craig Troutman, commerce twp, MI

The FCC is supposed to protect the interests of the citizens to access varied information from a variety of media. That's why the rules prohibit Sinclair from monopolizing markets. It's time for the FCC to enforce its own rules.

—Betsy Smith, Brewster, MA

I oppose Trump TV.

—Matthew Levine, Huntington, NY

Isn't this how the Nazis took over Germany?

—Tom Brink, York, NE

Time to end Fascism!!

—Norman Emmons, charlestown, NH

The point of the FCC was to ensure that all points of view were given air time, This reduces that. Stop that.

—Charles R. Butler III, Hyattsville, MD

—Richie Wells, Missoula, MT

No news monopoly! Give us free speech, press freedom, not propaganda!

—Alonso de Ángel, San Juan, PR

We don't need anymore Monopolies in this country!!

—Karl Steinberg, Ladera Ranch, CA

The FCC needs to be an impartial entity that has no affiliations, except to the American public, and must act in their best interests. Allowing a single company to have this much control over local media creates a dangerous precedent and goes against the principles that all regulatory agencies (of which the FCC is one) must inherently abide by.

—Dante Ezekiel Clark Schneider, Boise, ID

The cornerstone of Democracy is a free press, this merger will most certainly go a long way to erode the availability of honest reporting to the citizens. No good will come of this merger - Democracy will be hurt by it.

—Gerald W Crawford, Georgetown, TN

I'll not stand for it, I tell ye!

—Elijah Hechtman, Safety Harbor, FL

It's already pathetic enough. Refer www.rob-files.com

—Robert Butner, Fountain Valley, CA

NO! NO! NO! NO! NO! Do not let it happen.

—Gwen Irish, Framingham, MA

Sinclair Broadcast Group has a history of providing sound bites to the television stations they have purchased. These sound bites are to be broad cast on the news and are extremely political. No option is ever given for the 'other side of the story'. We do not need more political advertising that is actually propaganda. The FCC must block the Sinclair Broadcast Group and Tribune merger and restore policies that encourage a diversity of local media owners and a wide range of viewpoints.

—Katherine Cooper, Xenia, OH

fuck Trump.

—Xavier Jacobson, Bethlehem, PA

A FREE PRESS IS OUR RIGHT AS A FREE COUNTRY. ...OR ARE WE GOING THE WAY OF RUSSIA AND TURKEY????!!!!!!!

—Renate Wertheimer, Flushing, NY

Any company that insists on running opinion segments by Boris Epshteyn is destined to face viewer revolt. I've seen Mr. Epshteyn and his viewpoint is so un-American that few would support it .

—Ellen Franzen, Berkeley, CA

My family are lifelong Chicago area residents. While some of us might not always agree with every Tribune Editorial (it's already a pretty conservative Editorial Board!), the Tribune media company has a proud & diligent tradition of local & metro reporting that is invaluable. The Tribune also is legendary for independent journalism & encourages investigative reporting. Finally, the Tribune was born here in Chicago, & is deeply engaged & committed to our city & it's suburbs. Sinclair should NOT be allowed to buy or "merge" with the Tribune, & further consolidate its stranglehold on media.

—Jacqueline Leavy, Oak Park, IL

It's bad enough now that tRUMP has been given almost total coverage ever since he started campaigning and after his election! DO WE NEED TO DEVOTE AN ENTIRE NETWORK TO THIS INCOMPETENT, IMMORAL, UNETHICAL, RACIST SLUG TOO?! HELL NO! This merger is WRONG on so many levels besides the fact that it is a BLATANT ANTI-TRUST VIOLATION of building a MONOPOLY! STOP THIS INSANITY NOW!

—Kraig and Valerie Schweiss, Sterling, IL

We don't need or want a nazi or Castro regime.

—Donia Connell, Anthony, FL

Too much power in so few hands

—Shirley Schmidman, Cedarburg, WI

Nazi Trumps fuck off!

—James Castle, portland, OR

Do something patriotic and save our country. Stop these mergers.

—Bryan Schappel, Oregon, WI

You already get enough ego inflation and mindless propoganda from the national news. I intend to keep an ounce of truth about the world in the news.

—Elijah Seets, Kingsport, TN

We must stop this Broadcast Group from penetrating all the air waves with their lying, hate-filled agenda.

—JoAnn Loomis, Indianapolis, IN

Our democracy is already under-served by a Free Press and this merger is another nail the coffin.

—Phil Schelinaki, Frankfort, IL

NO HIS LIES

—Catherine Madole, Walla Walla, WA

Please stop this from happening. The local news should reflect the area and not a single company with an agenda.

—Sean Smith, St. Louis, MO

I do not know how you can even consider this. Our democratic republic works only when multiple voices are heard. Letting one group with a track record of pushing only one side rather than just reporting the news get over 70% of TV stations does not serve any purpose other than spreading one view. And when they have s track record of pushing forcefully one view how can we expect them to stop. Do Not allow Sinclair to do this merger.

—Cheryl D Halverson, Tensed, ID

Trump is not king nor dictator. I protest any special treatment or the changing of rules and policy. To do this show the FCC is heavily involved in Anti-American activity and will be punished as soon as it becomes possible.

—Ron Nelson, Federal Way, WA

Do you really care about free speech?

—Ed Campbell, New York, NY

Chairman Pai, your nothing without Trump. Remember that.

—James Florance, Lakeville, MN

No media takeover!

—Sharron Andresen, Barrington, IL

What happened to not allowing a monopoly in business? We need separate news agencies, not one big conglomerate.

—Peter Ayres, Naperville, IL

Dear Commissioners, Please Remember that you no longer Represent only the Corporate world . You Have the Great Responsibility of representing the best interests of the Citizens of this Wonderful Country. One of the founding premises of this country was freedom of the press. I feel I need to remind you that includes diversity of Viewpoint. This can't be achieved by allowing one (1) Company to control such a large majority of TV stations. Please stand against this merger.

—Michael Hassett, Lake Stevens, WA

Pull the plug on religious programming.

—Thomas Spangler, Logansport, IN

Ajit Pai, as a fellow citizen, please grow a damn spine. This, and the issue with Net Neutrality is an utter insult to millions. You do all this, just to hold a position and profit, while others get hurt. Please, take into consideration of the others who suffer.

—Avishek Pramanik, Sharon, MA

Block a merger that gives Sinclair access to 70% u.s. Households thru state news media - don't allow us to lose free press because money is buying out alternative voices. No to media power of Sinclair: curb, control, stop!

—Penelope Loucas, Tacoma, WA

Please do the right thing and keep our airways free from propaganda without balance from other news outlets.

—Gwen G. Mataisz, Pitkin, CO

This propaganda has already begun with the op-eds on our local CBS channel. Very slanted pro-Trump agenda with no opposing viewpoints and zero critical thinking. Shameful!

—Norm Walker, Yakima, WA

Corporate control of the majority of our media has created a society of virtual slaves. Most of the people of the U.S. have lost the ability to think for themselves. You know that's what the manipulative corporate rulers want and that it prevents any semblance of democracy. Please, do the right thing. Stop this trend.

—R Sharkey, Kings Park, NY

Do NOT allow this merger to go through.

—Lillian S White, Venice, CA

too much power concentrated in too few hands! Anti-trust. ILLEGAL!

—Howard Youngs, Tucson, AZ

Do your job!

—Nathaniel Edward Loring, McAdenville, NC

It would be harmful to the integrity of our country!

—MaryAnn Wales, Mayer, AZ

This will be a disaster for the American people and freedom of the press (yes, TV news is the press, too). Sinclair is requiring their stations to broadcast their right-wing ideas instead of supporting a balanced format. This is wrong

—Margaret Gooding, Rialto, CA

Diversity of ownership is NECESSARY for the media.

—Bob Miller, Aliso Viejo, CA

Our electronic media should be free to tell the news honestly. not turned into a propaganda organ.

—Thomas Josephi, Pittsburgh, PA

This is extremely concerning. Big corporations that can control the media and undermine freedom of the press are extremely dangerous, unconstitutional, and much worse than any government regulation!

—Miles Calabresi, Baltimore, MD

STOP!!!!

—Hazel McDonald, Springfield, KY

Power corrupts and absolute power corrupts absolutely!!! Enough of this charge towards dictatorship!!

—Judith Entress, Danbury, CT

In the face of all this "fake news" rhetoric spouted from Trump and his supporters, honest Americans we need to be able to rely on their local news to be an unbiased source of information. Everything I have come to learn about Sinclair Broadcast Group suggests that will not be the case; they will support legitimately fake news stories to push the agenda of a very few to fuel the mistrust and hate so readily exploited by Trump and his supports. I urge the FCC to put a stop to this merger. Thank you.

—Jamal Whitney, Englewood, CO

Allowing this will lead us tonthenfurtherndestruction of our democracy which is already in peril. Be on the right side and take a stand against the wrong side.

—Tamara Flannagan, New York, NY

No Trump TV and you need to stop the Sinclair group and Ajit Pai from forcing our news to show racist and alternative facts as our country has been divided enough already and we don't need this to make it worse.

—Patty Slack, Chapmansboro, TN

Absolute power, corrupts absolutely.

—Kevin Clarke, Berkeley, CA

Thank you for your attention to my profoundly grave concerns. Sincerely, Georgeanne Matranga

—Georgeanne Matranga, Port Jefferson Station, NY

Are you all crazy or just plain evil.

—Kristie Bircumshaw, San Diego, CA

Stop the villainy. Do it.

—Susan J Chapman, Mercer Island, WA

monopoly is not desirable in media industries, either.

—John McPeck, Fairfax, VA

Monopolies are not good for the country, whether you call them trusts, as Teddy Roosevelt did, or by the actual name of monopolies. To allow a man who wants to be a totalitarian dictator to have control of a large number of broadcast networks is unAmerican! And it should be illegal!

—Frances Hugg, hollidaysburg, PA

This merger would reduce diversity in the individual essence of local cities by forging a cookie cutter approach that would come from a single source outside those cities. It is not a good idea!

—Mr. Michael Bennett, Dekalb, IL

No more media mergers! And no more stinking Nazi/racist propaganda.

—Kathleen Buckley, Albuquerque, NM

The FCC is supposed to support free communications, not near-monopolies; further, the FCC is supposed to ensure that political contests are covered without prejudice, and one-sided coverage is not an acceptable standard -- both Sinclair and Fox have violated these principles and should be censured, not aided.

—Kae Bender, Lancaster, CA

We do not need the lies and deceit nor Trumps holding rallies just for TV. ..his actions with the sherrif and hate groups also are very worrisome with him and them having free reign to deeper divide our country.. Thank you

—Charlotte Feck, Plummer, ID

get rid of all those lying republican crooks.

—Joseph Martel, Pearl City, HI

NO TO THE SINCLAIR-TRIBUNE MERGER !

—Geralyn S. Lloyd, YORBA LINDA, CA

These are some of the exact reasons why people are losing faith in the mainstream media outlets. We feel unble to trust huge corporations who own all sources of information as it seems a conflict of interest for reporting news.

—Monica Lee Christine Armer, Fontana, CA

There are waaaaay more conservative tv & radio stations spewing propaganda & lies! Please don't give Trump another platform for his lies & hate speech!

—Kate Considine, Camarillo, CA

Fcc needs to do the right thing and protect our democracy.

—Bonnie Hundt, Ancramdale, NY

please don't, please don't!!!

—Cheyenne Moye, Toledo, OH

Large monopolies are not good for our democracy.

—Robert Crocker, Louisville, KY

This is an outrageous attack on people's right to know and hence on democracy. It needs to be quashed.

—Henry Millstein, Novato, CA

Two channels in Eugene Oregon are now owned by the Sinclair company. This is not right.

—Jesse Platts, Van Nuys, CA

STOP TRUMP ... STOP TAKING MORE AND MORE. STOP SINCLAIR GROUP AND TRIBUNE. NO MERGE THEM. NO DO NOT DO THIS.

—JudyK Hancock, Polk City, FL

Unbelievable! It is all so crazy. Where am I?

—Donielle Workman, Stuart, FL

Media under control of a few is a serious threat to democracy.

—Lee Greenawalt, Merced, CA

I do not want my local news being coerced into airing the racist views of Sinclair Broadcast Group. The media is too concentrated in the hands of a few.

—Genevieve Lynch, Lebanon, OR

We don't want a dictatorship in the most democratic country.

—Roman Avila, New York City, NY

The merger is dangerous.

—Judith L Baron, Albuquerque, NM

We need more variety, not less, in our country.

—Elizabeth Stanley, Bend, OR

Stop. This isn't right.

—Earl Smith, Evansville, IN

This type of consolidation of media is on its face anti-democratic. A strong democracy needs many voices. Media consolidation like this only fosters totalitarianism and concentration of wealth to the few.

—Michael Harrod, Arroyo Grande, CA

This is just plain wrong! It is devious and underhanded. Must be stopped!

—Beau Hansen, Monticello, MN

This decision will have far-reaching implications. Mr. Pai, is this really the America you'd like to wake up to every day? Is it the America you'd like to leave to your children?

—JR Pratt, Sanford, ME

It's time to grow a spine & reject this merger which will do nothing but promote propaganda.

—Ann Zimmerman, Brattleboro, VT

People who complain about big government, government over-reach, or blatant corruption and cronyism: now would be a great time to make some noise.

—Sasha Kay, Griffin, GA

STOP TRUMP'S AGENDA!!!! This merger is not good for the country- not that he gives a s--t!!!

—Linda mattusch, Boulder, CO

People not Corporations

—Carol Poleno, New Castle, PA

I agree 100%!!

—Eunice Gautsche, Elkhart, IN

The Sinclair Group is doing very real damage to our democracy. If they are allowed to get bigger they will do much more damage. Please, for the sake of our nation, don't let this happen!

—Colin C. Campbell, Geneva, IL

Congress is too weak, ineffective, and spineless to act in the best interests of our country and remove the current poseur-president... so you must act to the best of your abilities to STOP THE CATASTROPHE THAT IS TRUMP!

—Stephen L. Phillips, Two Harbors, MN

No media monopolies. It is vital to maintain as much media diversity as possible to guarantee the public access to all sides of the news and so that they can make up their own minds by hearing the most diverse array of opinions.

—Dr. Christina K. Irwin, Lake Oswego, OR

We don't need to enable a Racist Propaganda Machine!

—James Baranski, Franklin, ME

The FCC MUST help prevent our democracy from going down a rabbit hole!!!!!!!!!!!!!!!!!!!!!! Do NOT allow the Sinclair-Tribune merger!!!!!!!!!! You will be on the WRONG side of history for sure!!!!!!!!!!!!!!!!!!!!!! And your children, like mine, will pay the price!

—Rebecca Nimmons, Bellevue, WA

This goes against everything America stands for. Stand up for the citizens of this great nation and stop this merge.

—Stan, Aurora, CO

Oppose this corruption. Otherwise why are you even there?

—Mo Oliver, Coeur d'Alene, ID

Democracy depends on a free and fair press. These two media companies are shameful propaganda machines with a far right agenda. Please put the welfare of our country above partisan politics. Please do not allow this unholy merger!

—Jerilyn Bowen, Albuquerque, NM

FCC- do your job and stop this disaster. This is very dangerous.

—Ms. Anne Haggerty, Chicago, IL

Just say NO!

—C Lenihan, Beaver, WA

We need reliable news--not a propaganda station for Trump!

—Joan Hemm, Boulder, CO

Fuck you Ajit Pai, This is so totally anti-democratic, antitrust and you will. Be personally responsible for this possible merger if it happens. Do not let this happen to our nation. The consolidation of media is dangerous and irresponsible to our Republic and it seems as though it is planned for ulterior motives. This should not be considered.

—Parker Berg, Tijeras, NM

Truth in advertising? No! But truth on journalism? Yes! No president gets to own his own media! No! Nyet! Nuts!

—Juley Harvey, Estes Park, CO

A merger like this would be bad for bad for our country.

—Fairbank Donn, Lyons, CO

I suppose this merger would make the country great again? "The rank and file are usually much more primitive than we imagine. Propaganda must therefore always be essentially simple and repetitious." -- Joseph Goebbels

—Larry Stillman, Portland, OR

No broadcasting group should have this much control over the public airwaves!

—Paul J. Maceika, Rome, GA

Unbiased news is critical to our democracy. No media group -- from the right OR the left should have such a monopoly on the news reported to the public. There is ample evidence that Sinclair is biased and that it uses its broadcast group to promote its own interests and biases. They should not be allowed to merge with Tribune. If anyone at the FCC values our democracy and the critical role of providing unbiased news to the American people you will not allow this merger to take place.

—Irene Price, SACRAMENTO, CA

Media concentration is deadly to democracy, leading to single-viewpoint news as the only option in many areas. This is basically propaganda, not news, leading to an uninformed and misinformed public.

—Sarah Sutorik, Tallahassee, FL

We need diversity in our national media. Sinclair taking over 42 stations in our biggest cities will do the opposite, in my opinion. This is harmful to our national interests I believe, for a democracy needs to have checks and balances in the news-- so we have a chance to tell what's truth and what's propaganda. Please stop this proposed merger now and protect the public's right to varied opinion and news coverage. Thank you.

—Roxanne Gihl, Bremerton, WA

WTF!!!!!!!!!!

—Harry Cook, Allison Park, PA

One more unconscionable proposal! This has got to be stopped.

—Jill Gimbel, Dana Point, CA

Don't fall for this one!!!!

—Eggers J., Addy, WA

Please block this merger.

—Cherie Pipes, Seaside, CA

NO NO and NO!!!!

—Noenoe Barney-Campbell, Honolulu, HI

Stop this assault on our Democracy!

—Jacqueline Reynolds, Hayward, CA

Reinstating old loopholes to give a single company drastically larger (previously illegally larger) viewership is an insult to the position that Pai holds. Total disrespect for the people. Just trying to line his pockets and keep his constituents happy.

—Justin White, Duluth, MN

Sinclair Broadcast Group is nothing more than "news" such as the rag The Enquirer and doesn't belong on television. And merging with Tribune? Just compounds the problem and now we can say "fake news" and really mean it.

—Denise Kobylarz, Pequannock, NJ

this is highly unconstitutional.

—Jack Keith Jones III, Folsom, WV

Great idea? One corporation owns and controls most of our stations.

—Douglas Holmes, Danville, CA

The type of media-supported rhetoric must be given a firm limit to isn't right to free speech, Having grown up in a rural community, you don't have any real "choice" to what you can watch. Having ANY strongly slanted media source, must be resisted, or we will NO longer be the USA we like to think of ourselves as being.

—Dave Dew, Saint Paul, MN

We need diverse and free press, not propaganda monopolies. Don't abandon your principles.

—Khati Hendry, Oakland, CA

Tell or ask the cable companies NOT to get involved with Sinclair. Petition the public to boycott any Sinclair program...

—Ken LaKind, Peoria, AZ

You people must be complete idiots if you even considered making a State run propaganda channel??? Just because because they call a button like trump president doesn't mean you have to kowtow.

—James Baker, Lexington, KY

Please do not allow Sinclair Broadcast group to dominate the airwaves. Our political system relies on informed citizens and Sinclair has shown it will misinform.

—nike G Stevens, Bozeman, MT

No one entity should own local news!!!!

—Sandra Schmaier, Burlingame, CA

We need more media outlets, not fewer. We need more voices, not fewer. We need stations that challenge the conventional wisdom, not be parrots for it.

—Bruce Wade, Shoreline, WA

Allowing this merger to continue is a violation of the constitution and needs to be prevented.

—Dustin E Mabie, Medford, WI

It concentrates too much control into too few hands.

—Morgan Girling, Bellevue, WA

The last thing America needs is a media merger that would bring more racism, hate, and one-sided political propaganda into America's living rooms. I am an award-winning news editor, and Sinclair is not following journalistic standards. I would not call them a news network, as they are really all about propaganda. Please stop this merger.

—M Raftery, La Mesa, CA

This merger is unacceptable. Whatever happened to anti-trust law?

—Mr. Chris Kermiet, Denver, CO

STOP THIS NOW or ???

—Thomas Robinette, Kent, WA

Ajit Pai is a pimp selling us to the highest bidder. A disgrace.

—Gordon Levin, Helena, MT

Block the merger. Enough already!

—Eve Moser, New York, NY

Those who hate FREEDOM and AMERICA have NO place deciding the Nation's fate with their cancerous ideological poison. It's time for the FCC to STAND FOR THE AMERICAN PEOPLE against TOTALITARIANISM and the MINDLESS PROPAGANDA that makes it happen!

—Daniel J. Fontes, Lafayette, IN

Sinclair Broadcast Group and Tribune should never be allowed to merge. If this deal goes through, a single company would own more than 200 local-TV stations reaching more than 70 percent of the country. That's far beyond the legal limits on media ownership and far too much power in the hands of a single company. Sinclair has evaded FCC rules, received FCC fines for airing propaganda, and drawn wide criticism for airing politically slanted content on its stations. The FCC should block this merger and restore policies that encourage a diversity of local media owners and a wide range of viewpoints.

—Bryce Sloat, Orem, UT

Think of the longterm. The outcome will not be ideal for personal gain.

—Alexander Mucino, Moreno Valley, CA

This is how fascism takes hold.

—Eppchez Yes, Philadelphia, PA

Stop this unholy alliance.

—Danny Wigington, Willits, CA

Keep Title II net neutrality safe. Don't bow to Comcast and others in throttling the internet. Stop Sinclair-Tribune Merger. Keep local news local.

—A M Snyder, Portland, OR

If this horrible merger goes through I certainly won't watch it! I only watch news that is the truth, not fake!

—Sue Whitlock, Somerset, KY

No, no, no! Monopolies, all communication in few hands. Does anyone notice the similarities to the run up for the beginning of the Third Reich.... anyone, anyone!!!!

—Kathryn Ryan, Edmonds, WA

How could you approve this and still sleep at night? It's totally un-American - you must realize that. Do what's right for the country, not for these greedy extremists and opportunists.

—David Philipson, Los Angeles, CA

You can't make this crap up! It's rank idiocy to consider such concentration of media ownership except in a banana republic.

—Armin Wright, Oakland, CA

DICTATORSHIPS START BY THOSE IN CHARGE CONTROLLING THE MEDIA ! STOP IT !!!! WE DO NOT WANT PROPAGANDA FROM TRUMP AND ALLIES !!!

—Howard Miller, Ventura, CA

Media consolidation greatly endangers the integrity and balance of our news, and of our future.

—Rand Guthrie, Snohomish, WA

This is wrong, wrong, wrong! Block this merger!

—Carol Fairweather, Alameda, CA

Both parties and the entire nation will suffer if this merger goes through. When immense media power is handed to one private enterprise we will no longer have a free press and without a free press we threaten out very democracy.

—Beverly Tangen, Los Angeles, CA

This state-sponsored propaganda, delivered for years, has reached extreme and unacceptable levels. This is a democracy, and must remain a democracy. No amount of posturing and posing on the part of America is justification for the behavior of this would-be president and his would-be administration. To allow them to continue to exploit the information access, filling it with hatred and violence against women, people of color, and people who are different (from wealthy white men) is nothing short of atrocious. My father did not fight the nazis and do time in prison camps in Germany to have this happen to his country!

—Kathleen Hopkins, Oakland, CA

The FCC cannot, must not allow Sinclair a 70 percent media monopoly. There is no place for false information and politically slanted propaganda in the news ever, but giving Sinclair a media monopoly guarantees most of the country will be hearing propaganda lies.

—Nancy Borelli, Santa Rosa Valley, CA

NO to corporate media monopolies!

—Doug Lenier, Valley Glen, CA

This merger will be bad for our democracy and for business. IT reminds me of the Ma Bell merger in the 70's. Their motto for that merger was: "We don't care. We don't have to." This merger should not go forward.

—Tamela Thomas, Seattle, WA

NO WAY

—Steve Keplinger, Edmond, OK

This country has laws against monopolies. Let's remember who we are.

—Iain T. Rowe-Mitchell, Aliso Viejo, CA

Follow the rules! There is a purpose. Do not allow Sinclair to break the law. Hold them accountable!

—Lenore Costello, MEAD, WA

Absolutely not - and believe me - tRump is going down and you're going down with him. Don't even give this merger one single second of consideration.

—Cheryl Fontaine, lancaster, PA

Stop.

—Susan Bartlett, portland, OR

NO to Trump TV.

—Naomi Lidicker, Berkeley, CA

Or we can turn off the TV

—Gary Pischke, Roseburg, OR

We have now a full blown Nazi Government!

—Rosemary Graham-Gardner, Manhattan Beach, CA

Great thanks, from informed citizens like my family and friends, to wise leadership who will stand strong for FCC rules that protect Americans from manipulation by dishonest media.

—Napita Nanette Ippolito, Ashland, VA

Stop Trump from buying up all the local news in us!

—Anne Clorite, SAN DIEGO, CA

This is outrageous on its own, and completely against American freedom of speech ideals and monopoly law.

—Gregory Rossi, Waterford, MI

This merger is not in the public interest.

—John Auch, Lodi, CA

America is the land of the free, home of the brave. Now all we see is hatred, degradation of humanity, and riots. People against people. It's beginning to look like a horror movie. We need to stop this. People should see openness to both sides. Realize we need to connect together, work together. Children need to see an open world of news, so they learn how to survive with this new present and future when they grow up. Only showing certain things will create a world of deep hatred. We use to be semi peaceful, but that seems to be changing now. Please don't agree for the humanity or our future

—Kaelin, Lake City, FL

The health of a democracy depends on access to a diversity of viewpoints -- competition was what we used to call it. This move would effectively do away with competition so necessary for people to have choice and be exposed to a variety of news sources.

—Martha Curry, Seattle, WA

This is not fucking Russia. This is the United god damn States of America. Shut these motherfuckers down and destroy their propaganda. These assholes need to be taught a lesson, and you can do just that.

—Nicholas Greyn, Lake Forest, CA

odds are you will be on the wrong side of history and remembered as a villian, but i pray not.....

—Laureen Picciani, Fort Bragg, CA

Just another monopoly trying to be created by big money. Whatever happened to our anti-trust laws

—Mr. Richard Amati, Spencerport, NY

Stay cool! Keep the media diverse.

—Whitaker Martin, El Cerrito, CA

We do not live in Russia! Stop this now!

—Barb, Bend, OR

Promote diversity and reject monopoly because that is YOUR job!

—P C, Sebastopol, CA

whwn it comes to our media, we need more competition not consolidation.

—Linda Evans, White Plains, NY

This is a horrific proposal and gives Sinclair way too much power to spew his propaganda.

—Geraldine Bell, Baltimore, MD

WE, THE PEOPLE, have the RIGHT to a free and ACCURATE PRESS. This proposed "merger" of two "false news" (your quote) giants does nothing but ASSURE the American People ONLY will get a strongly biased picture of the world. PLEASE use YOUR conscience and do NOT let this happen.

—Stan Lindskog, SEATTLE, WA

The original rules are very clear against communications monopolies. Do not betray your country. Do not betray the People of the United States.

—Wynne L. Alexander, Merion Station, PA

We very much need a variety of media voices in this country.

—Laura Magzis, Penacook, NH

We don't need more crooks trying to control our access to accurate information. Please do not approve this merger.

—Virginia B Hotz-Steenhoven, Santa Rosa, CA

Virtually every radical change this administration has taken mimics the path of Nazi take over of Germany. Listen up folks. The Free Press is what guarantees our freedom. Consolidation of information sources is what offers you real fake news. At every turn our weak and frightened 'leader' has been taken in by those who would be tyrants and together they have put our country on a dangerous and slippery slope.

—Jill A. Roberts, Brevard, NC

Fewer media outlets means easier to "channel" low information voters.

—Bruce Caukin, Redondo Beach, CA

We MUST not sanction news media which only spreads negative, destructive propaganda. Sinclair has evaded FCC rules, received fines for airing propaganda and has aired politically slanted contents on its stations and this merger would only make matters considerably worse!!!

—Tennie Caldwell, Norcross, GA

We have always relied on the Press/Media for unbiased, factual reporting leaving bias to individual op-ed or Letters to the Editor. Please keep Trump from allowing takeover of media by one or two groups which would take away objectivity in reporting.

—Ruth Carlone, Stafford, VA

Keep our news Free from mergers.

—Jacqueline McCormick, Jackson, MI

This is horrible and this merger should be blocked - diversity must be maintained!

—John H. Kraemer, Chippewa Falls, WI

Support freedom and diversity of expression and oppose right wing propaganda disguised as news.

—Diana S. Dubash, San Francisco, CA

Keep local media independent and out of the hands of a political propaganda machine.

—Vicki Citron, Colrain, MA

Shame on Sinclair's biased reporting. With FCC's attempt to take over Tribune & thus create a mouthpiece for Trump -or anyone else they choose to endorse- the media is effectively muzzled & "news" is merely propaganda. Patriotic Americans say NO!

—Theo Fraser, Pittsboro, NC

Impeach Trump Now!

—Jesse Turner, Vancouver, WA

Are you freaking kidding me, about giving Mr. Trump his own giant propaganda machine. If you approve this, you should be ashamed of yourselves and resign. Totally something right out of Orwell's 1984.

—Lisa Kenion, Euclid, OH

Stop propaganda tv

—Jeannie Summers, Saint Paul, MN

No media monopolies!

—Joe Kselman, Bowie, MD

The Sinclair-Tribune merger will be the end of the free press. We will be another African dictatorship and our country will be no more. Trump wants to be dictator like Putin of Russia.

—MaryEllen Andrews, Bartow, FL

Is the FCC intent to follow Russia's & China's & North Korea's lead to only allow propaganda to be aired as "news"? Is the FCC now an anti-democracy agency? If the FCC wants to prove otherwise then (a) don't allow the Sinclair-Tribune merger & (b) KEEP COMPLETE NET NEUTRALITY!

—Pat Palmer, Indianola, IA

America is embarking on a very dangerous path. If any body out there has not seen the sign yet, I say you better wake up before it is too late. From the very beginning this guy has revealed to the world that he will not flinch to impose his will on the American people and he has become successful so far. The most democratic country in the world is teetering on the edge of entering into a dictatorship.

—Genet Gurmu, Alpharetta, GA

The over-consolidation of media ownership has been one of the greatest disservices to our democracy. It must come to an end.

—Mr. Kristopher Gillespie, Brooklyn, NY

Monopolistic propaganda broadcast companies are anti-democratic. We don't need a dictator like Russian's Putin to take over in such a manner.

—Philip Baumgaertner, Bremerton, WA

NO,NO,NO.

—Peggy Ricci, Corinth, NY

We must not allow single-minded inaccurate and one-sided reporting to be widespread and become the norm. Stop the Sinclair-Tribune Merger!

—Joan Maples, Midlothian, VA

This move is anti-democracy and unpatriotic. Stop.

—Betty Gunz, Charlotte, NC

Stop Ajit Pai !!!

—Jordan Kratz, Portland, ME

No Sinclair-Tribune payback

—Jennie Strieby, Huntington, WV

As usual, the Trump administration is flouting the law. This is a legal matter even more than a political one.

—David Simen, Highland Park, NJ

There are state and federal laws that regulate mergers. The reason these laws exist is to make sure there is competition that benefits consumers, via choices and prices of goods and services. The Sinclair-Tribune Merger looks like a monopoly which decreases customer choice. Costs to customer may increase, further harming customers. Please review these rules and regulations. The Sinclair-Tribune merger looks like a bad deal for the American consumer. Sincerely, Ginny LaJuene

—Ginny LaJuene, Schenectady, NY

After 1987, I should not be surprised what the FCC does, but I am. Don't pass another shameful act. We should at least believe we are doing and hearing the objective truth.

—Katherine A Smith, Madison Heights, MI

Why should one company be allowed to regulate what millions of people watch? That is not news, that is propaganda.

—Mitshi Ishioka, Hoffman Estates, IL

We need a free press separate from the influence of the executive branch.

—April Newman, Chicago, IL

Please prevent this merger! National news sources are biased enough---local news should not be "agenda based"!

—Patricia O'Byrne, Warren, NJ

This is a ridiculously dangerous merger that is anti-democratic at its core-- a diabolical threat to our country's foundational tenants. Kill it at once.

—Lee Sievers, Minneapolis, MN

Do the right thing.

—Susan Stutz, Cherry Valley, MA

well why air this and accept a merger is like allowing alot of people to go to your house and enter and use all of your stuff

—Deonte deshawn ogletree, Tallahassee, FL

Don't let the merger go through. Too much power in one company.

—Herbert Forsberg, Ridgewood, NJ

There's no other way to put this, No, this isn't OK! Our country is diverse and so should be our media. Once again the greedy corporations are trying to take over. When will they ever have enough money? When the citizens run out? It's time to stand up to them and state clearly, No!

—Erica Melton, Vancouver, WA

We must maintain FCC Title II Regulations for Internet Service Providers (ISP's). They must not lose oversight by the FCC. We cannot allow conglomerates like Verizon, AT&T, Comcast, and Times Warner Cable to control access to content or it's flow on the internet. We must protect Net Neutrality and fair and equal access to the internet by it's users and it's content providers. ISP's should never have the ability to block access to websites, throttle speeds of content providers that refuse or cannot afford to pay for access to "fast lane" speeds, develop tiers of service to their customers so that they are charged more for access to websites that they frequent. The ISP's have of course promised not to do any of this however, once they are removed from FCC oversight this situation will be permanent. There will be no going back. Control over the internet will be at their sole discretion and "the fox will be guarding the hen house". Net Neutrality would be destroyed and access to websites containing content contrary to the interests of ISP's could be blocked and thus censored. This would destroy the most democratizing medium ever created by humankind. ISP's are not content providers. ISP's are utilities providing an essential service of open access to real content providers. Also, we must fight against the Sinclair local Station media grab "merger" making this right leaning organization a vast majority of what gets broadcast at the local level throughout the nation. And yes Trump FCC appointed Chair (a former Verizon lawyer) is also dismantling the FCC from within from deregulation to deregulation. Moving closer to total monopoly has so many implications. FCC Chair Ajit Pai (former Verizon lawyer) is at it again! First trying to remove FCC Title II Regulations for an open and free internet (#NetNeutrality). Then approving the move for right-leaning Sinclair Media to buy Tribune Media making it the largest owner of local television stations in the country. And here he is fighting for a massive monopoly by allowing AT&T to buy Time Warner. This will of course reduce healthy competition and leave customers with less alternatives forcing them into paying outrageous prices and lower levels of service. Write, email, tweet or call your Reps. in Washington and feel free to cut, paste, or add to this post.

—Larry R, Haverhill, MA

For the FCC to allow a Sinclair-Tribune merger would be to strike at the bedrock of democracy. A government agency has no business undermining the principles on which our country is founded. No to a Sinclair-Tribune merger. NO!

—Richard Boyer, San Clemente, CA

Do your job and work for the people, not to spread lies and disinformation from an incompetent president!

—Nicholas Kidd, Clearwater, FL

He messes up everything he touches. NO! NO! NO! Talk about fake news, he is the biggest fake in the world. He is ruining our lives if only his followers would listen.

—Judy Davies, Austin, CO

It just is not a good fit and it sorta becomes a near-monopoly then.

—Alexander Sean Chase, Bangor, ME

Say no to right wing propaganda TV!

—Anne Curran, Sarasota, FL

Though this is a form letter, I personally please the FCC needs to do its job and keep one organization from controlling the news people heat!

—Donald N Luckett, Silver Spring, MD

News broadcasting should/must be in the PUBLIC interest - not in the interest of a particular political position or of a particular politician.

—Faye Steuer, Mount Pleasant, SC

IT IS VERY SIMPLE: The Media should not be a cartel in a democracy.

—Larry Guss, millinocket, ME

Don't allow mergers of MEDIA TITANS to ruin independent local news broadcasts!!!

—James Krist, Arnold, MD

Strong believer in the press—free press. That's what keeps the government honest in whatever way it can...

The stink pf fascism is in the land!

—Sara Upton, Worthington, MA

Trump and his racist cronies need to go and not only off our televisions but out of our Whitehouse. Oh and I guess we need to call it something else since "whitehouse" sounds racist.

—Keith Monson, Wichita, KS

Our democracy depends upon citizens being exposed to a variety of viewpoints. Please help in that regard by rejecting the merger of Sinclair and Tribune. We need to cultivate diverse viewpoints, not just a few!

—William Meltzer, Columbus, OH

This merge is evil
—Mike Raymond, Utica, MI

Really!!? Supporting racism, bigotry, white Supremacy?? Really!!? No way!!
—Julia Hart, St Michaels, MD

We have enough right-wing hate broadcasters.
—Cheryl Storm, Henrico, VA

We need more voices in our media, not less.
—Diane Kirschner, Brooklyn, NY

Supporting Trump doesn't mean you get a free ride to monopolize the news network with Pro-Trump messages when it is "Fake News".
—Randy Coburn, Nampa, ID

If this is not a monopoly I don't know what is! Enough w/the massive monopolies! Stop this now. We all know who owns everything! Can u say Rothchild?!
—Dee Preston, lantana, FL

This is not "1984", get with modern times.
—Caroline Waller, Magnolia, AR

Diversity in reporting is critical to professional analysis and divergent points of view. The "Fake News" being spoken of is a result of conglomerate infiltration in our press and restricts journalistic excellence.

This Merger is the wrong message.
—Sandra Rohde, Appleton, WI

Diverse media for a strong democracy.

—Madi Green, Arlington, VA

There is already enough hate in this country.

—Mitchell Barsky, Niceville, FL

The president should not have his own TV channel, or media arm. This is propaganda!

—Stephen Wehr, Saugerties, NY

We have paid assassins on government books, why are thry not being utilized for the 'Final Solution' with regard to the Trump genepool?

—Les Hudelson, Saint George, UT

clearly the FCC is not on the side of the citizens of this country, they are on the side of huge business like the rest of Washington DC. Pathetic, greedy, self-serving and a whole lot more. They gave away \$100 of billions of the nations airways to these corporations that spew junk and garbage on the citizens. Imagine if there were upstanding conscious people in the FCC that saw controlled the airways for the greater good instead of letting the greed driven unconscious people grab it.

—Donald Clark, Winkelman, AZ

Pure propaganda, (as if the so called "news" today isn't already) spewing from this illegitimate fascist Trump regime will not stand in these alleged "united" states.

—Chris Luster, Floyd, VA

This is a travesty that must be stopped.

—Nancy A Dubuc, Billerica, MA

Enough is enough! Stop Trump! He is totally out of control! He is a Communist Dictator!!! When is he and his corrupt administration all going to be Impeached and Removed from our WH? One by one, this unhinged Dictator Control Freak taking away our rights, obstructing justice!

—Sharon Thorstenson, Plantsville, CT

No media monopolies please!

—Chris Flanagan, ferndale, MI

Fake news? How about monopoly news? Do the right thing and nip this nonsense in the bud.

—Don Baumgartner, Fairfield, PA

Keep America free by keeping it informed.

—Timothy F Jenkins, Morton, PA

A merger like this is wrong and should not be allowed to happen in this country where diversity is encouraged. You cannot place so much power into the hands of one media company. I encourage you to oppose and block this merger.

—Ruth E. Roberts-Shepherd, Summerville, SC

What would be the difference between the result of this merger and a State Media? Nothing.

—Jerome P Jamroch, Stockton, MO

NO TO TRUMP TRASH TV and trash mergers

—Phil@pkldesignscom Lack, cheyenne, WY

It does not seem too much to ask that you protect the integrity of the organization you are privileged to head. This is America, not Trumpica!

—Margaret Lyons, Palos Verdes Peninsula, CA

—Elaine Hutton, Minneapolis, MN

STOP THIS MERGER!!

—Susan E Scenna, Wilton, NH

Death is too good for these racists!

—Sebastian Natera, Brooklyn, NY

This country needs more independent news outlets providing more diverse points of view, not monopolies presenting a one sided view of everything. That leads to dictatorship, not democracy.

—Albert Hamm, Lancaster, PA

This is more disgusting crap! The air waves BELONG to the people, the citizens of our country! NOT the oligarchs that would rather have OUR country for themselves.

—Donald L. Burg, Pomona, CA

FCC do your job! Are you so afraid? Sinclair evading rules and receiving FCC fines should be enough to BLOCK THIS MERGER!!!

—E Rake, Bristol, NH

We do not need Sinclair. We need to preserve neutrality. This is more propaganda for corruption. Mercedes Suarez

—Mercedes Suarez, south pasadena, FL

Trump is a Con-Artist , and a very good Liar !

—Robert Hirshorn, Groveland, FL

Please stop this. This man is dangerous and already endangering our country. Don't give him a platform to spread more hate and lies. Thank you.

—Kim Hart, Poulsbo, WA

BLOCK THE MERGER!!!!

—Mary Young, La Mesa, CA

This deal would have been DOA in any other administration

—Bob Fisher, Barre, VT

I love in Seattle, where Sinclair media has already taken control of a beloved local station--the staff does its utmost to maintain the fair and balanced standards that local news aspires to, however the obvious bias in the Required Sinclair media pieces that run is troubling. Local news must be unbiased, and not cater to the whims of a parent-company with an obvious political agenda. News is NOT entertainment, but a fundamental tool for understanding the world we live in. Stop this merger, now.

—Erin Vu, Maple Valley, WA

give bandwidth to human users & take power from the telecoms

—Kevin Levere, White River Junction, VT

Trump's whitehouse and his congress and Dark money and collusion with Russia by all the above Criminals should be tried for Treason. They are destroying America and Sinclair and trump's cronies are destroying America. They are so dangerous and Sinclair should be put on trial for Treason immediately. They are taking away all America's freedoms

—Don and Sharon mercado, Marana, AZ

This country needs all sides to any presentation. any fascist leanings must be stopped before they start !

—Mark, Chicago, IL

The FCC- especially the Chair seems intent on helping big corporations at the expense of individual citizens, knowledge and democracy.

—Nancy Kleinberg, Narberth, PA

Monopoly not good for providing more and varied content and viewpoints. Monopolistic tendencies in broadcasting narrow the options and programming for varying audiences making it one sterile platform for one idea. Don't allow this merger to happen.

—Carole plourde, Amesbury, MA

Do not allow Sinclair Broadcast Group to add more biased, hateful dialogue to our free local TV stations. Rosemary Miller

—Rosemary Miller, Eden Prairie, MN

Do you REALLY want to be aligned with the people who want to end freedom of the press in this country? Do you have NO principles??

—Christopher Norcross, Harwich, MA

—Lynn Clark, tenino, WA

DO YOUR JOB.

—Ross Hemphill, Olympia, WA

Are YOU SO IGNORANT OR CORRUPT AS TO ALLOW THIS OBVIOUSLY POLITICALLY CORRUPT DICTATORIAL-AMBITIOUS TRUMP REGIME STATE-CONTROLLED & OPERATED NEWS AGENCY? Please, show me YOU ARE NOT BY STOPPING THIS CONTINUED TRUMP ASSAULT ON CITIZENS ABILITY TO ACTUALLY KNOW WHAT THIS ENSANE MESSIANIC NARCISSIST IS DOING TO OUR COUNTRY!

—Patrick Conn, Kent, WA

This should be a no-brainer...its dangerous!

—Deena Morando, Sandy, OR

We require honest news to function in this era. Please protect us from partisan news monopolies.

—Louis C Harris Jr, Cherry Hill, NJ

I'm protesting the Sinclair Broadcast Group's expansion

—Stephen Gerardin, berkeley, CA

—Jacob Price, Vancouver, WA

This is America!! This merger is an OUTRAGE and MUST BE STOPPED!!!! Come on, DO THE PROPER THING HERE, PULL THE PLUG, SCRAP THIS EVIL PLAN

—Carol Cesaletti, Eugene, OR

We cannot survive official propaganda television.

—Theresa Melof, Hillsboro, OR

Trump / Hitler / Stalin Very little difference...

—John Coleman, Springville, AL

The current FCC chair needs to be removed, he is not representing the people who pay his salary just the corporate donors.

—David McElroy, Longton, KS

To make local affiliates air mandatory fake news taken from the likes Info Wars, etc is not an option for a democracy

—B Jackson, Durham, NC

I thought monopolies were against the LAW?

—Robert Herzog, Sun Lakes, AZ

This is outrageous. Perfect way to squash whatever democracy still remains in this country. Big step towards Authoritarian rule. Does the FCC really want to be complicit?

—Mary Kerr, mpls, MN

These big media companies need to be broken up not allowed to get bigger. Now more then ever we need small independent media The level of propaganda in this country is out of control, and is one of the reasons we are so divided. Please don't allow this merger.

—Marcus G David, Chicago, IL

Fuck the FCC for being obsessed with money and putting people and fairness last. You SUCK.

—Alison Duncan, Wexford, PA

Fuck donald trump.

—Terry Donceel, Oroville, WA

We cannot let ANY ONE company control the news. It doesn't matter if they're left or right.

—Judith Ivey, Berea, OH

The free press and media are under attack from the Trump administration. The American public needs media that is honest and diligent in its reporting so they are well-informed when they vote and also when they contact their elected representatives over issues of concern. Each media company has its own point of view or slant on issues. Competition between those companies is healthy and we should not allow them to merge because when they do, the number of voices and points of view are diminished. When that happens points of view are not challenged and it is then much easier for "propaganda" and "fake news" (lies) and "alternative facts" (more lies) to take over. That's DANGEROUS!

Then fascism is just around the corner. NO MERGER!

—Jean A. Thompson, Kennebunk, ME

Our democracy is threatened by the concolidation of news sources. I say NO to this merger.

—Ms. Frances Burke, ,

Goebbels. I am reminded that you are not like them that you so ambitiously anoint in hopes of acceptance. You should be wise to take notice, and be reminded that it is you Ajit Pai that is willfully with very premeditated intention. You will always be remembered for forever subverting truth to serve your Fuhr. Be reminded of this while you serve inhumanity: First they came for the Socialists, and I did not speak out— Because I was not a Socialist. Then they came for the Trade Unionists, and I did not speak out— Because I was not a Trade Unionist. Then they came for the Jews, and I did not speak out— Because I was not a Jew. Then they came for me—and there was no one left to speak for me. You are not pure Ajit Pai, they will not be loyal to a slave.

—Matthew S Melin, San Diego, CA

This merger would be a disaster. Truly.

—Marilyn Olson, Valparaiso, IN

Setting bad precedence of monopoly rule. That's what this mega-merger would accomplish. One voice for all, in a bad way.

—James Brunkow, Portland, OR

I am against all bias media and only want fact based programming without speculation. Media should always wait for the facts before spewing nonsense. So I am against this as much as I am against companies like fox news, cnn, msnbc, etc.

—Sean, Roanoke, VA

This is undermining all that this country is based on.

—Susan Patrick, Fort Lauderdale, FL

We must have a fair and open press. Not a press run to achieve political results. We also need to avoid TV conglomerates. The antitrust laws are meant to limit the amount of power and control any one company can have. For this to happen with the press is violative of all of our American freedoms.

—E L Eversman, Akron, OH

No excuse for changing rules to or allowing companies to evade your rules! Please do not allow Sinclair and Tribune to merge.....it's too much control over what we get reported as truth..Pleaseeeeeeeeeee!

—Laura Gordon, Anderson, CA

The point of the FCC is to prevent this type of monolithic corporate media entity from owning such a large share. It's anti-competitive and counter to the values of freedom.

—Patrick Rodgers, Savannah, GA

Stop the Sinclair-Tribune Merger

—Doug Wolters, Silver Spring, MD

Impeach trump!!!

—Alyce Westmoreland, Long Beach, CA

This is a company whose pundits, in segments they force their owned stations to air, openly attack their opponents on air and even repeat insults like "snowflake" and "cuck" or openly mock the concept of "safe spaces". They shouldn't own even one local station, let alone an illegal monopoly of 70%!

—, Hanover, MA

This has been getting scarier and scarier and letting ANY broadcast company have more than legally allowed gets us that much closer to an authoritarian regime - look at North Korea!

—Eryn Espiritu, CROCKETT, CA

This merger would be a complete travesty for regular folk like me. Please, don't allow it! Thank you.

—Jackie gauger, Worthington, MA

The FCC is one of the most dangerous appointive parts of our broken political system. Over the past 80 years it has become merely an important tool of the mono- / mega- / capitalist propaganda cabal that plays a decisive role in promoting unregulated capitalism for the benefit of the ultra wealthy. It is way past the time to tell these unamerican shills at the FCC to operate for the benefit of all Americans and not just for the greedy interests of an unchosen few.

—Dave Morton, Longmont, CO

BLOCK THIS MERGER!!

—Pat Billings, Bridgewater, NJ

It is appalling to consider this! Do no allow it.

—Nancy B. Macy, Boulder Creek, CA

I strongly oppose this merger. Please keep the diversity of local media intact!

Terrible idea. We are not Russia. ..yet !

—Ginger Witmer, Coatesville, PA

—Ann deLorge, Augusta, GA

This isNOT acceptable. It is a monopoly

—Viola morris, Albuquerque, NM

The air waves are free. Don't give 'em away to the propagandists!

—Mary Pearson, Bronx, NY

No one in this world needs a President Chucky/Donald Dump television station, we may as well travel to North Korea for Dictatorship, are you NUTS FCC!!!! Let him spend his own stolen money for whatever the hell he wants..

—Lenora Seaton, Bladensburg, MD
