**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have moved away from comcast and att as my internet/ tv providers because of their monopolistic tendencies. Since then, I have been waiting for more competition in my area and despite being in the heart of Silicon Valley these 2 are still holding tight grip and preventing others to enter, what they consider, is their turf. The only way to stop price hikes. lower service quality and halting development of new technologies is to encourage and enable other companies to enter the field.
