**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic.net because of their consistent and loyal dedication to the privacy of all of it's users. In this digital age where all of our personal information is traded for monetary value, there has been no other time that needs to privacy as of right now.

We want sonic to stay - especially since we are also running a business using Sonic.net; we can't reiterate enough the importance of cyber security and privacy.

Thank you,

Ryan Hui
