**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Its important to allow competition between companies so that we, the consumers, are able to choose from high quality and reasonably priced options in regards to our internet providers. Reasonably priced internet is important for job searches, job maintenance, community (ie school) communication, etc.
