**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please consider not to limit competition that causes price hike of internet and phone services on customers. I like to see healthy competition in order to have reasonable pricing and quality service. We rely on reliable and fast internet service for our daily business therefore broadband is important to our business.
