**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Local competitors are important! I support diversity and choice in choosing my internet provider. In my prior experience, having only one provider created issues with exorbitant pricing and low quality service. Please do not allow big companies to squash the local competitors. Diversity in option is the best for consumers.
