**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a subscriber to Sonic.net in the Bay Area. For years we had used AT&T for both land line telephone and Internet service, and they continually raised our prices and gave us crummy service. Then Sonic came along and gave us great service at a great price. We continue to need fair competition in broadband so that as a consumer we can make a choice.
