**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition and competitive telecom. I do NOT want to see big telephone companies like AT&T driving up prices and cutting off competition, restricting options, and monopolizing the industry. I was connected with competitive DSL until just recently when I got fiber through this Sonic, intentionally waiting almost a year to make the switch to fiber with this small competitive pro-net neutrality company rather than doing it sooner with a huge impersonal non- community minded company. Sincerely, Laurie Lenrow
