**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not allow the big guys to trample on my Internet provider, my credit union or me by letting them control the flow of data, thereby raising the price and the time we need to do what is needed to help the credit union survive.

We are supposed to live in a competitive world, why then would you allow prices to rise?

In our world today reasonable cost and speedy access is critical to our survival as a country. Don't let the big guys ruin our future.
