**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Wake up and protect the American consumer. As consumers we deserve to have options. By allowing big cable everything they want, you are not working in the interest of the consumer. Please protect competition in order for the consumer to benefit. This is vital to America as an economy and vital to the American people. We are watching this department and wanting to see that the department works for us and not big business. Thank you for your attention to this important point.
