**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We do not need more monopolies in this country. Competition makes our economy healthy. I am a consumer who supports broadband competition. We do not need higher prices as the consumer is already burdened with them. Please consider the opinions of the average citizen who is trying to make ends meet.
