**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of Sonic.net, an independent internet service provider. I count on Sonic to provide me with choice as to how I get my internet service. It is important that I have strong broadband service both to get the huge file updates that keep my computer secure in a dangerous age of hackers, I also have access to upload large video files to engage in my art.

I urge you to keep competition alive in the world of internet service.
