**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic customer. I opted to have them as my provider because of the affordability of their services. I believe that a competitive market is a better option than just one or two already-big company/ies just having a monopoly of it. Ordinary folks are always adversely affected by big company price hikes for the same quality of service. This can be prevented by having more competition in the market.

The right to choose a provider should rest with the customers, not the companies. Thank u.
