**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a competitor of Att because they offer better rates and service. Broadband is critical to my home so I can work effectively. I am disabled and have to work from home. Please say no to price hikes as I cannot afford the rate. Competition is the foundation of our nation. Without it, we are subject to unfair price increases.
