**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I chose my home service with a local broadband supplier as the large service provider does not have my interests in mind. The local provider, SONIC has consistently provided excellent and personalized service to my home for more than six years.

I do not want to lose the services of my local provider, along with the anticipated rate increases. The loss of net neutrality is still stinging.

Broadband is critical to my home service as I work out of my home. An increase in rates and lowering of performance will be detrimental to my livelihood and will impact my ability to support my family.

William Jones
