**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

please do not do this. it is blatantly corrupt. broadband is critical to my home. there must be competition in this sector or we're stuck with the miserable service provided by ATT which offers only 2mg in my area. price hikes that will increase costs to me are also not okay. this is really simple: there must be broadband competition. we live in the USA.
