**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am very happy with my internet provider. It is important to keep access to copper lines for these providers.

I have price competitive internet and phone service from a company that answers the phone when you call and provides excellent customer service. I dont want to be stuck with just AT&T or Comcast when I have an excellent provider now.
