**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner in Southern California, and soon to be a father. I always try to go with local Internet Service Providers because of their competitive rates and superior customer service to companies like Spectrum and AT&T. This is what allows me to keep my cost of living low and my company's margins high in a world where the housing market is out-of-control, and digital communication is the most essential component of client management. This is why I'm asking you to Save Competitive Telecom.

Thank you,

Jonathan Hunt
