**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer, I have and value a competitive local provider that provides me with internet and telephone service.

Any change in competitive telecommunication laws that result in increased costs of internet and telephone service and limit access to a local competitive provider does not serve the public, as it decreases options and increases cost for the consumer.
