**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I hate Comcast, Verizon, and all of the big carriers. They collectively have ripped their customers off for years. It is only when small start ups like Sonic challenge their oligopoly, that the big guys actually compete on pricing and care about customer service.

A horse never runs so fast as when he has other horses to catch up and outpace. Ovid

Keep Sonic as our horse in the telecommunications race.
