**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not limit competition in the Broadband area. We need a competitive carrier which at present we have. But without free competition we will lose it, and in addition, pay more to get less.

The open internet and free competition has worked wonders for us all. To limit it would be a big step backwards.

Thank you.
