**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer the San Francisco Bay Area who has utilized a small company for telecommunications (both phone and internet) for a number of years, both personally and professionally. I support broadband competition. My local provider has given much better service, at much lower prices, than I formerly had with AT&T.

Please do not limit broadband competition, as this would be a step backward for our community and a challenge to my personal budget.

Sincerely,

Louis Girling
