**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a Sonic.net customer for years, as they provide a top notch level of support that the bigger telecoms do not even come close to. Their livelihood, as well as my internet connection, depends on having the last leg of connection to our house on a shared line. We should be moving towards shared lines to encourage competition. Giving one company sole control over the single line that enters our house will lead to a monopoly, increase in cost to us, and poor support. Please protect the consumers like myself, not the large monopolistic telecoms. Thank you.
