**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer and small business owner I chose to go with a small local provider to get more intimate service without delay.

Making the change was a nightmare. I was stymied for two and a half months by ATTs control of the wires that supply my service. They would not release the wires to the local provider costing me greatly, and taking a great deal of my time and the local providers time.

We need the choices that healthy market competition brings. Dont stifle the little guys so the fat cats can limit our choice and increase our costs. Im tired of the giant conglomerates making all the rules to benefit themselves and cost the rest of us dearly.

Dont limit broadband competition.
