**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need to encourage competition among internet providers. For many years, we had only 2 options for internet, Comcast and AT&T and both of them provided HORRIBLE customer service. We switched to Sonic when they expanded to our area and they've been responsive and have been a force for modernization and improvement, rolling out FIBER. Thus, the current system of allowing smaller ISPs access to broadband infrastructure at wholesale rates encourages competition and helps consumers.

Don't undo a system that is working and leading to competition and innovation.
