**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I fully support broadband competition with my vote and my dollars.

AT&T and larger corporations are stifling competition in order to remove choice from customers and fair competition from the market, and this is reprehensible.

Broadband is critical to my business as a researcher and writer. It is the most important tool I use every single day. Having a choice between providers is essential.

Sincerely,  
Dr. Laura Brueckner
