47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Forcing people to pay ATT because their competition has been diminished through regulation is disgusting. You have an ethical and a fiduciary responsibility to Americans, not giant corporations. Competition is good for everyone and as long as we are living in a capital driven society, monopoly protections are the only way to ensure a fair playing field that promotes market pricing and innovation.
