**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer who supports broadband competition. I have fiber today and previously had competitive DSL. I also have competitive phone service. Broadband is critical to my home and work, given that my wife and I work from home quite a lot and our kids increasingly need access to broadband. Thank you for helping keep business competitive and healthy and prices affordable for people.
