**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&T is unreliable for me and I want competitive WIFI options. Both my wife and I work from home many day of the week and we need WIFI in a critical way. Local broadband is important for us because we live in the country without cable and other sources of high speed internet. The FCC needs to understand competitive choices are important to our business and family!

Thank you,

Josh Garzoli
