**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not take away our choice to choose what provider we want for our internet connection. I am a small business and support competition. Competition leads to better products and service. We were tired of the terrible customer service AT&T provided and the lackluster internet speed they offered for the price. We chose to go with Sonic and couldn't be any happier. Even AT&T workers said Sonic was better than AT&T. What does that tell you about AT&T? They are the worst. Thank God for Sonic.
