**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competitive internet service, and the ability to choose between multiple provider options in general, are hugely important. We as consumers deserve a range of options and choice, without the fear of our options being throttled -- and prices being raised severely -- by one or two giants holding a monopoly... especially when it could have been prevented. KEEP COMPETITIVE TELECOMMUNICATION LAWS IN PLACE, and protect our right to the choices that flourish when healthy competition is preserved.
