**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic as my service provider. Please reject any new rule that will raise prices and make it difficult or impossible for smaller internet providers to develop fiber network services. This is anticompetitive and provides an unfair advantage to monopoly telecoms. Please do not stand in the way of Sonic to provide me fiber network service which I look forward to.

Thank you.

Michael Friedman
