**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value my service provider, Sonic, because the big company services got more & more expensive & the service they provided got worse & worse forcing me to move to a more realistic provider.

I value Sonic since my income does NOT increase at the rate the bills increase which is unrealistic for all of us. Please stop fleecing the customer.

If my product improves at the same rate the charges went up it may make sense but it did not>
