**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't let giant corporations monopolize the broadband market. I am a consumer who supports broadband competition. I live in rural Kansas and with out the access to broadband that I have now I would be stuck with a provider who was charging me whatever they wanted while limiting my access through limited speeds. Say NO to the non-competition ability these monopolizing mega corporations.
