**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We chose Sonic as our phone and Internet provider because we were dissatisfied with our previous service provider, which was ATT. With Sonic our Internet connection, which is now fiber, has been very reliable and reasonably priced.

It would be a shame if any decision taken regarding the telecommunications market were to put an end to that. We certainly do not want any price increases to our current service.

Thank you.
